tain, plain and hill side, and after the corporate powers, rights and powers regimes and provers and sections and second and personal. That the corporate due to the purpose of and personal methods of the purpose of and personal methods of the purpose of and personal methods and second and personal. The following are the provisions under a sture of all its transpections and second and personal methods of the provisions under the second in doubling both? We are anxious to know the limit of our rejoic-ing, over such inconceivable and unpar-alleled miseries, as this fearful struggle has already entailed upon our country. But we turn from the Commercial's conception of the character and teaching of Washingtons, to the words of that when the said bank shall become an association, the charter of the said bank shall become an association, the charter of the said bank shall become an association of the transpectiones of that when the said bank shall become an association of the transpections of the transpections of the united states, and that are rested through the exertions of Mr association, the charter of the said bank shall become and and personal of the unrest interest through the exertions of Mr.

in this Union whose conduct shows that he has taken this character of WASHING-tox for his example? Instead of the liberal and tolerant spirit interpreted by liberal and tolerant spirit interpreted by WEBSTER, we have, in the conduct of Abolitionism, the very reverse; it knows nothing but intolerance, arrogance and blood. But Mr. WEBSTER proceeds: When WASHINGTON, in behalf of the conven-tion, presented to the old Congress and to coun-try that Constitution which was the production of their patiotic and assiduous labors, he made tilly most important declaration: "In all out estimations upon this subject, we key tsteadily "deliberations upon this subject, we key tsteadily "deliberations upon this subject, we key tsteadily "totations of ur Union, in which is involvedour."

conception of the character and loaching of WABILKATON, to the works of the character and loaching of WABILKATON, to the works of the character and loaching of WABILKATON, to the works of the character and loaching of WABILKATON, to the works of the character and loaching of WABILKATON, to the works of the character and loaching of WABILKATON, to the works of the character and loaching of WABILKATON, to the works of the character and loaching of WABILKATON, to the works of the character and loaching of WABILKATON, to the works of the character and loaching of WABILKATON, to the works of the character and loaching of WABILKATON, to the works of the works of the theorem of the character and loaching of WABILKATON, to the works of the works of the theorem of the character and loaching of WABILKATON, to the works of the works of
