

PITTSBURGH: THURSDAY MORNING, FEB. 25, 1864.

lar," published in yesterday's Post, recommending that gentleman for the next hope that after they get their long-cher. Presidency, has fallen heavily upon the office-holders and contractors under the present Administration. Among those Administration. Among those would be no more consciution. Presidency in the present Administration suspended it, we might hope that after they get their long-cher, should be no more consciution. She went occasionally to his hope that after they get their long-cher, with him. She went occasionally to his vallabusha, to co-operate with Grierson's were four; but she firmly persisted in declining to resume her martial relations with the father, notwithstanding his offer to settle on her one-half of his property. particularly affected by it is the Gazette, particularly affected by it is the Gazette, of this city, which paper regards the circular as being unmanly, untruthful and 'mean." When we reflect, however, upon the interesting and significant fact, upon the interesting and significant fact, and that is looked on with more con-

days for all such outrageous nonsense ed to, to escape it; even to perjury and have departed, and we trust to the But there is no doubt of Ank having the thropists seek to make poverty a crime, advantage, so far as a nomination is under the Constitution, liable to punishhave departed, and we trust forever | flight from home and native lands. concerned. He has hundreds of thous ment by conscription; certainly a rich ands of well organized dependents labor | man will not suffer by it or his family ing for him, each one having a personal either. Even when amended to suit interest in his success? But still the op- hand, will regard the Constitution as the interest in his success? But still the opposition to him is growing in numbers and feeling. His peculiar friends—the aforesaid office hunters and contractors—in order to choke off opposition, in stituted the Union Leagues. These political gamesters, who have grown opulent off of the very blood and agony of the most office the very blood and agony of the most office the political gamesters, who have grown opulent off of the very blood and agony of the stitution sought to place it out of the blook of the policemen, officers of Connectant Stitution sought to place it out of the blook office the policemen, officers of Connectant Stitution such the policemen, officers of Connectant Stitutions and from this it is inferred that his seem ingly to join their brethren in the hills in ling, he whispered to his boy and caution ingly to join their brethren in the hills in ling, he whispered to his boy and caution ingly to join their brethren in the hills in the distance. At the same time the host against with the distance, and the blooming of artillery. It have since derived the booming of artillery. It have since derived the booming of artillery. It have since learned that it was an attack upon the Yazoo fleet, a short distance. At the same time the hills in ling, he whispered to his boy and caution ingly to join their brethren in the hills in ling, he whispered to his boy and caution ingly to join their brethren in the hills in ling, he whispered to his how and caution ingly to join their brethren in the hills in ling, he whispered to his how and caution ingly to join their brethren in the hills in ling, he whispered to his how and caution in line from the finance corosing they skednddide alarm ingly to join t nation, calculated upon putting their candidate before the people, without the only for its amendment. We submit that aid of a national convention; but popular denunciation of the contemplated usurpation has caused them to abandon lar denunciation the contemplated usurpation has caused them to abandon large t usurpation has caused them to abandon ism. Involuntary servitude is uneon their exclusive expedient for cheating stitutional; conscription is involuntary and in the morning summond before Corp. the people. Their game now is to hold servitude, therefore conscription is un a national convention, in order to give the friends of CHASE and FREMONT no

excuse for bolting ABE's nomination. In pursuance of this arrangement, the National Abolition Committee have settled upon the 6th of June, as the time, and Baltimore the place for holding their convocation. This early day is settled upon, because the friends of ABE "have things fixed," and because the friends of other aspirants will have no time for preparation. So, too, Baltimore is settled upon as the place because of its proximity to Washington-that infamous city, wherein at present abounds it will be seen that honest old ABE, has, lion. But when it becomes evident that by the most corrupt appliances succeeded party machinery and of the difference are being used to secure the proportion by

In the meantime we may look out for heavy work against LINCOLN, the Tribune of Tuesday closes an article upon the situation in this decided manner:

by Mr. SLACK of this county, siys:

"If this bill has any ulterior object—other than appears on its face—we are not apprised of it. At first blush, it strikes us as being a very proper, one. The corporators named are all inen of the highest character, well known in business troles, and from their position socially, and docally, we opine, would not lend themselves to any scheme adverse to the interests of this road. Offere, and apparently irreconcilable difficulties have grown up between the present management of the road and the Mayor of the city of Baltimore, the tendency of which is to retard its fondly hoped for speedy completion, if not permanently to shake public confidencet all parties connected therewith, and eventually destroy their usefulness in furthering the success of this all-important enterprise." important enterprise."
The bill, if we rightly apprehend it, in no
