While visiting some friends New You who were ising Plantation Bitters they prevailed upon me to try them. I commenced with a small wine glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters. Judita Russel. Respectfully,
