

## PITTSBURGH:

MONDAY MORNING, FEB. 29, 1864. instrimore industrious in gathering and disseminating slander, than the leading friends of Lincoln and Chase are in damaging probable opponents. These scheming and cold-blooded politicians, appear to entertain a most remarkable antipathy to our Generals in the service. They devoted at least twelve inmonths, to harrass and break the spirit of months, to harrass and break the spirit of the farmers and producers, remind to the prospective than the eading miner took with him, besides his tools, ways the most jealously and faithfully preserved, and the teachings of even one ways the most jealously and faithfully preserved, and the teachings of even one ways the most jealously and faithfully preserved, and the teachings of even one ways the most jealously and faithfully preserved, and the teachings of even one ways the most jealously and faithfully preserved, and the teachings of even one ways the most jealously and faithfully preserved, and the teachings of even one ways the most jealously and faithfully preserved, and the teachings of even one ways the most jealously and faithfully preserved, and the teachings of even one ways the most jealously and faithfully preserved, and the teachings of even one ways the most jealously and faithfully preserved, and the teachings of even one ways the m months, to harrass and break the spirit of pole.

McClellas, they interfered with his plans; kept back reinforcements, and locked, never used, and the windows field, who stand as a living wall between of the extremists, and because of this ment demanded.

that time he was beginning to be talked work continued below to its completion. that time he was beginning to be talked of for the Presidency, and immediately he began to lessen in the Committee's estimation. The result is, that after a continued below to its competion. Immediately after the escape was discovered and the first to go in pursuit, which we have staked, not only fortune, family, and home, but personal liberty orderly Hatcher, Warden R. R. Turner and national independence. And now, dustrious; in fact we may say that it is crowded with business. How then can the people expect the Administration to be successful against rebellion? The minds of those composing it are occupied with dark intrigues against each other, content to let the nation periods. Were it not for their frequent and remorseless acts of conscription, we may be a sea at war at soft deserved commendation.

some in Hanover, but the larger number of the larger number of the larger number of the larger number of the larger number. The confederate Congress.

This body has adjourned. The tax of all the profits of they bave passed puts a tax of coupled with dark intrigues against looked for to-day. We give below the list of those who had up to six o'clock last evening been returned to their old quarters at the Libby. The energy and solicitude of Major Turner are subjects of deserved commendation.

While the country is rocking in the made by office, shows him more the milk-sop than turned to his potato patch, covered with one of the commanding characters glory. The Yankee arrived, under due claimed for him by his toadies. Were Gen. Jackson alive and President, we should live to see one of the cabinet in of the contractors and sharpers who are
