All parties interested are hereby notified, that on SATURDAY, February 18th, 1884, a petition was presented to said Court, signed by twelve freeholders of said Ward, parallel with Ridwell and Fremont streets, should not be vacated and closed up, from the northern line of the right of way of the Pittsburgh, Fort Wayne sand Chicage Railway Company, where the said line crosses said alley to Island Lane, because the said portion of said alley has become useless to the public and those having lands abounding thereon.

The Democratic Party, Territorial Aggrandizement, and National Unity

An historical comparison which several of the Republican journals have seen fit to make in connection with our disastrous and disgraceful defeat in Florida, suggests the appropriate historical starting-point for tracing the magnificent territorial expansion of the United States. These journals have compared the disaster at Obustee to the famous defeat of General Braddock in the old French war.
