

TUESDAY MORNING, MARCH 8, 1864.

In noticing the new banking scheme of the great confidence man who controls the Treasury at Washington, we the minds of all thought ful men must engender grave, if not insurmountable opposition to the project.

vaunled the highest regard for the "vested rights? of corporations-according to their notions, no malfeasance, no failure a forfeiture of their chartered privileges.

gresses and Courts, and overwhelming popular expressions. Neither does it trouble these Destructives that in with.

of the land, a law which was sanctioned by both rulers and people with wonderful unanimity. But they should pause
