Brandreth's Pills.

Bleeding may give momentary ease, because the blood left will have more room. But as the body is made from the blood, and sustained by the blood, to waste our life, and ruin our constitution. But Brandreth's Pills relieve the circulation as readily as bleeding by only taking away what it can well spare, and THEY NEVER BUST.

MIS. Hooper, of Barnstable, Mass., was cured of St. Vitus' Dance, General Debility, poorness of blood, and costiveness of many years standing, by Brandreth's Pills. The case at length is published in the pamphlets.
