PROPERTY OF THE

BY ORDER OF EXECUTIVE COM. OUR STATE SENATOR.

We publish in to day's paper the address of the Democratic members of our

Hall, on Race street below South.

the aspiring Secretary. The apparent "majority," which the latter sighed for in Ohio, was stealthily secured for the former. The Abolition members of the in Ohio, was stealthily secured for the former. The Abolition members of the Ohio Legislature were induced to sign an indorsement of the President, which had the effect blowing Chases's little scheme into the thinest air. When this scheme into the thinest air. When this took place, demonstrating that Ane was master of the situation, even in the Secretary's own State, it was time for him to aton playing nections and take upon to stop playing partizan, and take upon it. However, we will say, that if we himself, the last dodge of disappointed had the same confidence in the honesty demagogues, the role of patriot. And he is doing it very desperately. Nothing now could induce him to accept the Presidency, save the absolute conviction the tier role in the honesty and the same anxiety for the attainment of the purpose for which it is now carried on, viz.—negro equality—that the writers for the Disputch have, we would not like them that at home to tion that it would help the cause of "hu we would not, like them, "sit at home."

The fact is, people are tired of these blathering Abolitionists, who can enlist of that lofty Roman virtue which pa-triots even in these degenerate days taking off would cause as little regret.

been absolutely crushed in his aspirations, he grows sentimental and patriotic. desiring, in plaintive tones, to die sev eral times for his beloved country.

a share of the material required to put down the rebellion; or rather their masped, and the body of the poor girl, which ters will have to do it for them. And presented a sickening appearance, was why not? Let the government, the companions attracted the attention of Mr. Fredericks. The engine was stopped, and the body of the poor girl, which had substitutes—the one unlike of a sickening appearance, was takend own.—Newark (N.J.) Advertiser.

her companions attracted the attention of Mr. Fredericks. The engine was stopped, and the body of the poor girl, which had furnished substitutes—the one unlike of appetite, distress after eating, torpid lively the consequence of the therefore, lay a heavy tax on useful A Singular Curiosity.—One of the institute a war of, not mere'y subjugation, but of absolute extermination, Mr. Joseph Millaway, of this county.

The types was altered occurred in the growth of a horn-like tumor, from the breast of J. Robertson, and is able and clabstrate. It brought under review the constitution-

that the stamp act does not apply to aphas the curiosity preserved in a bottle, plications of officers and Government open to the inspection of any one.— slippers she wants you to put your foto smyrna (Delaware) Times.

England's Disposition.

Pay of Colored Troops.

SALMON P. CHASE.

The stories which have reached us got attorn, and especially that you will provide and five hundred barrels ball carlisten to any overtures of peace which any of the natives who have taken up arms may make. This course will, we arms may make. This course will, we of the upper town would have been deury Department, and the father of green-back and shinplaster currency, is, just eddy had some foundation in truth; but back and shinplaster currency, is, just edly had some foundation in truth: I ut now, the admirable Creighton of the Abolition press. This glowing admiration for the hearty and rotund buckers in the ern troops have ever been officially verified. Undoubtedly, when the negroes of his in monetary matters; nor is it the were first used by our armies, in some two thins and the property of a set ofter dinner speech in few instances the rebels were now very normal truth: I ut of humanity and thirstan needing, the dinterior the first among the we should serricely presume to urge it upon your consideration, did we not feel upon your consideration, did we not feel that your bands might be strengthened by this expression of our opinion, an opinion which we believe to be shared by the great body of the British people. We have, however been alarmed by the exquisite prefume. result of a set after-dinner speech, in which the suppression of the rebellion was predicted in sixty days, and universal liberty promised to the slave.

Nothing of this sort could have stirred the Abolition press to the expression of the very constant of the Abolition press to the expression of the very constant of the Abolition press to the expression of the very constant of the white soldings the pressure of the very constant of the very const such fervid delight with Secretary the white soldiers, the negroes are placed of a people who value their property in the soldiers, the negroes are placed of a people who value their property in the soldiers, the negroes are placed of a people who value their property in the soldiers, the negroes are placed of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the extermination of a people who value their property in the soldiers, the negroes are placed to the negroes are p tial canvass, and it is this that has attraction, such as it is, as their involun- of a better fate. We can conceive of no thrown the followers of Abe into the tary white associates. War is bad enough ecstacy they so fervently express. Pa. at the best; but, fortunately for our civing and of making the native slight with pers which, two weeks since, saw in Mr. lization North and South, there is as yet the madness of despair, than a policy at the lowest rates. Remember the place for the Chase an upstart rebel against his pattern owholesale slaughter of either white of confiscation. CHASE an upstart rebel against his patron, now behold him as being the very ron, now behold him as being the very embodiment of disinterested patriotism.

But by a letter written by this pouting

The standard abolition is the fault of either the radical abolition is the fault of the fire-caters South If the same butter fluits of which is the same butter fluits of the same butter fluits of which is the same butter fluits of the same fluits of the same butter fluits of the same butter fluits of the same fluits of patriot, on the 18th of January, we dis- these two bloodthirsty factions had their been perpetuated through uccessive gencover that his late declaration was the way, the war would long ere this have erations, and that, too, with a relent lessness and a crucky which have made
