Such are the laws of Congress, which consider the laws of Congress, which consider the laws of Congress, which all officers are bound to know, and all all these vest the army with the right-soldiers are presumed to know, binding ful power to take life, destroy property, on all alike, no matter of what rank or all use violence to produce the end de-degree. If the Government of the United in the case of the Sheriff charged with the right and the the execution of a writer mandate of all the section.

The true and only rule is, that the in-

them before their weight in too great and irresistible. These are my sentiments. Precedents are dangerous things. Let the reins of Government, then be braced with a steady hand, and every, which for of the Constitution be reprehended rock in the single and the time between the sentenced and the sentenced to be the because of the sentenced and the sentenced
