THE POST---PITTSBURGH, FRIDAY MORNING, MARCH 18, 1864.

The Daily Post.

\$

PITTSBURGH FRIDAY MORNING, MARCH 19, 1361.

WANTS TO KNOW.

subject of political agitation, has passed from the politics of this country,' the Post is always prating of Abolitionism ?"

We keep "prating" of Abolitionism We keep "prating" of Abolitionism because that mischievous and destruc-tive organization, is not content to let the date of the had on except the date of the dat and, judging by the mischief they have already inflicted upon the country, we fear that we will have ample cause to keep prating of them for some time to come. HOW WE ARE DRIFTING. HIGH WE ARE DRIFTING. already inflicted upon the country, we

The National Intelligencer, of a re-Bate was convulsed by civil war and actually in the threes of dissolution." Instead of practicing the virtues of self-denial and of grappling with the stern difficulties of the time in which they lived, they songht diversion in the cares of business or in the dissipations of Ro. man life. Magnificent palaces were 6,000 reliefs under Polk, and the cavalry and likely to remain there for the press of the balaces were body and the second secon feared while the foundations of the under Forrest from the necessity of ent. State were rocking beneath the blasts watching our movements and a junction State were rocking beneath the blasts watching our movements, and it is with Joe Johnston, now that the under until they vied with the Lucrine lake. Such was the optimism and such the in-sensibility of the people that he writes tice to parade as a defeat of Grant's army. Such was the optimism and such the in-sensibility of the people that he writes happy if they "got tame fish to come out at their call and eat out of their hands—foois enough," he adds, "to be stroged their fash ponds would be safe." There was no adequate perception of the duties demanded by the crisis and no attempt to perform them by the great mass of the ruling population who gave a tone to Romagn Society. It will not be denied that we are liv-in times fraught with the most sol-geme destinise that ever awaited any peop ple-embroiled as we are in a civil war of unexampled magnitude, whether ri-gard be had to the extent of territory covered by it sof the houndations of our it the same time the foundations of our it the same time the foundations of our it was greated. the same time the foundations of our civil institutions are destroyed in cleven States by their unconstitutional secres-sion from the Federal Union, until the lacerations of the body politic are no less ghastly than the wounds and scars left by the material strife of the war. And yet, samid all these evils which call changes were agreed upon after a length. And yet, and all these evils which call (changes were agreed upon after a length-for humilistion, or at least for soberness and reflection of thought, what do we witness? The increase and spread of ceive them as an ernest of unceasing acluxuy and extravagance on every hand. tivity during the balance of the present A spirit of speculation pervades all class spring and the summer months which sees of people. The inflation of the cur-succeed it. By the end of summer, it rency lends itself to the delusions of is hoped, the rebellion will be so far those who make haste to get rich. Our subdued that a very brief fall campaign i great cities, if we may trust the repre- will finish it up completely. entations which reach us, are filled with the-"booths of Vanity Fair." All forms of popular amusement are pat-ronized beyond precedent. The very ronized beyond precedent. The very winter quarters of our armies are invad-ed by the train of pleusure, and "the sound of revelry by night" in ball and dance preludes the opening of the spring campaign. For The Post. successful instance of the kind during the war, though several vessels have made narrow escapes from them. In: the case of the Housatonic it was guided and directed by a small cigar-shaped steamer to which it was attached, and which lay half submerged in the water. This steamer has not since been heard

The Future Character of the War. | The Killing of Col. Dahlgren. From the Richmond Whig, March 8. Gen. Kilpatrick has given more posi-The band of robbers, incendiaries and tive evidence that Colonel Dahlgren was The band of robbers, incendiaries and murderers who lately came against this city to sack and burn it aud massacre the principal personages who reside here, were selected from the different corps under Gen. Meade and sent under chosen officers of that army. Meade himself has lately retinned from Wash ington, and it was noticed that immedi-ately on his arrival moviments were commenced which have now had their week. There is no doubt the expedition was planned and its infernal character given to it at Washington.

given to it at Washington. Lincoln and his advisers were partices proach of some of our cavalry, their to it—perhaps instigators of it. Meade was particeps; because if he did not, as WANTS TO KNOW. Commenting upon some observations of ours in Tuesday's issue, the Gazette esterday, remarked : my so as to facilitate their execution. hurt so bad?" upon which one of their "We want to know why, if slavery, "as a These orders were for war inder the men said to him, "Damn you, make black flag. On the line of their desola- haste, then, and die."
