Below will be found a certificate from one of the liamond and Market street, agent for Pittaburgh.

Below will be found a certificate from one of the most respectable citizens of Wilkins township in regard to Dr. Reyser's Lindsay' blood Searcher. The Doctor's certificates are within reach, and no one need be deceived in regard to his preparations.

Dr. Gro. H. Keyser:—I became affleted with Piles about twenty years and and every year they were growing worse, so as to trouble me very much, so much so at times as to until me for work. Sometimes I was so bad that I could not do anything on account of them, they came out on me as large as a hickory nut. I had tried a great deal of medicine for hom. I used to buy and take whatever I could hear of or read of in ciri ilars and pamphlets that fell in my way, but I could not get cured, sometimes they would do me some good for a lattly while, but afterwards they would return ag in as bad as ever. I also applied to two Doctors who visited me at my house and gave me some medicine but it would not do, I could not get well. Over a year seal of the advertisement of your Lindsay's Blood-Searcher, made by yourself—when you sold it to me you told me one bottle would not cure me, and that me me you told me one bottle would not cure me, and that me me you told me one bottle would not cure me, and that me me you told me one bottle would not cure me, and that me me you told me one bottle would not cure me, and the proposition of the propositi me you told me one bottle would not cure me. and that my whole system would have to be renewed by the medicine before I got well. I bought one bottle and took it home with me and Have removed from No. 245 Liberty street, to used it according to your directions. I then call- their new and spacious buildings, ed to see you again, when you said I could no expect much benefit from one bottle. I bought it on, one bottle at a time, until I had used five bottles. After this quantity had been used. I

was entirely well of the Piles, which had tortured me for twenty years. In other respects my health is improved, and I am as well as could be health is improved, and I am as well as could be expected for one of my age, being sixty years past. I have been well now for six months, and there is no appearance of a return of the disease. I can do any kind of furning work now without the Piles coming down and hurting me. I can pitch hay, chop wood, lift, or do any kind of pitch hay, chop wood, lift, or do any kind of work which before used to hurt me. When 1 found out your Blood-Searcher I kept on taking it until I got entirely well. I consider it my dubenefit of others who may be sufficient at I was Wall Paper & Window Shades benefit of others who may be suffering as I was and do not know the value of your medicine. You may-publish this if you like-I live in Wilkins . mh4 Township, and will be pleased to satisfy any one MARVIN'S BOSTON CRACKER of the truth of this certificate if they wish to call

tions of war; and this is nowhere beyond the lines of the Army, except as to persons in the military service.

The rules and articles of war and the acts of Congress for holding courts mar-tial (chiefly that of the 14th of April. tial (chiefly that of the 14th of April, 1814) by which the Army is governed, were framed chiefly from the English system upon the same subject. Its principles and modes of proceeding are quite different from those of the common law, and in reference to them Blackstone re-New Goods and in reference to them Blackstone re-

marked:

"One of the greatest advantages of the English law is that not only the crimes themselves which it punishes, but also the penalties which it inflicts, are ascertained and notorious: nothing is left to arbitary discretion; the king by his judges dispenses what the law has previously ordained; but is not himself the legislator."

The learned commentator then takes

nation for two centuries back this great | history of modern Europe, They therewrit has been suspended by Parliament, fore, in the third section of the third article, used this clear and unmistakable

itself contravenes the provisions of the Constitution, the paramount law. When we turn to article four of the persons.

The ren When we turn to article four of the amendments to that instrument we are met by this stern requirement:

"The right of the people to be secure in their persons, houses, papers and effects against unreasonable searches and sciences shall not be violated, and no warrant shall lasue but upon probable cause supported by oath or affirmation and particularly describing the piace to be searched and the persons or things to be seized

Article six also requires that

"In all criminal prosecutions the accused shall"

"The remaks which I have made in regard to arbitrary arrests apply with ficiency in a true policy. Since we have thus far failed in reducing the rebellion with the unconstitutional and persons, houses, papers and effects against unreasonable searches and sciences shall not be violated to arbitrary arrests apply with ficiency in a true policy. Since we have thus far failed in reducing the rebellion with the unconstitutional and persons of formals which have spoken out in condemnation of these despotic acts of the Add in restraints upon the liberty of the persons, and confiscation acts, it is fitting for us now to inquire whether the armount of the persons or things to be searched and the persons or the persons or things to be searched and the persons or the persons o

Article six also requires that

"In all criminal prosecutions the accused shall enjoy the right to a speedy and public trial by an imparisal jury of the State and district where in the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have the assistance of counsel for his defense."

The exercise of such arbitrary powers it was which lost Charles I of England the confidence of his subjects, and led to the establishment of new guarantees against such flagrant abuses on the part of the monarch. The practice of a similar tyranny in France, under the lettres."

Article six also requires that

was our common-law right as British for us now to inquire whether the armoof proposed for its protection, together of peaceably assembling and petitioning the Government for a redress of grievances, the first amendment was added to the Constitution. These restraints are necessary, it is said, because by the includence of counsel for his defense. The moenty of use pressure and colonists, and for its protection, together with the freedom of speech and the right of peaceably assembling and petitioning the Government for a redress of grievances, the first amendment was added to the Constitution. These restraints are necessary, it is said, because by the includence of first and subjugation of an invalidation of the confliction of the confliction of the constitution of the substitution of the war seriously includence of his subjects, and led to the confliction of the market and subjugation of an invalidation of the confliction of the first and the provide the arm of the confliction of the conflict

What right, sir, has Congress to authorize arbitrary arrests in the face of the prohibitions of the Constitution? Are these prohibitions without meaning or the warpolicy of the Administration of the warpolicy of t prohibitions of the Constitution? Are hese prohibitions without meaning? or the war policy of the Administration has were they not on the contrary designed saddled the country with a debt which were they not on the contrary designed to meet just such exigencies as those in at the termination of the struggle will which the country is now placed, when, together with the possession of the phy.

Britain contracted in a century of forsical and political power of the country, a party finds itself-under the temptation to priations on the 4th of March, 1-63, was progress. It was not intended to be a resort to usurpation in order to maintain its ascendency. The Administration cannot, as in England, have recourse to the countries of the English debt is a fraction on the 4th of March, 1863, was \$2,000,277,000. The appropriations are first or last the real expenditure.

The total of the English debt is a fraction of the English debt is a fract

is one of the genthic marks of setting to thave the law, which is our rule of action, either concealed or precarious.

Another extraordinary measure inaugurated by the proclamation, and which constitutes the climax of despotic powers assumed by the Executive, is the suspension of the writed hadases corpus during the existence of the rebellion. Having the existence of the rebellion. Having the existence of the rebellion. Having the existence of the rebellion of the constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution, and the process of law" in the face of the expression of the Constitution of the Constit

nunciations of the tyranny and injustice of Government toward their countrymen in the colouies, and no one ever proclaimed a "military necessity" of silencing them by forcible restraint of their persons.

Government, and to assign with indenty the causes of the present troubles. I have also noticed the measures with which the Administration has undertaken to meet the extraordinary emergency, and have pointed out their unconstitutional and persicious character and their utter de-

of the monarch. The practice of a similar tyranny in France, under the lettres de cachet, had filled the dungeons of the Bastile with innocent victims, until at the commencement of the reign of Louis XVI that hated prison was leveled to the ground in the indignant uprising of an outraged people.

What right air has Congress to an arrest to a substratum of all our institutions' And trations of this truth. The Normans dration, we snan have not permanent to conquered that race at the battle of Has-conquered that race at the battle of Has-conquered that race at the battle of Has-drive land and India occupy to England, as Hungary to Austria, and as Poland to

progress. It was not intended to be a war against communities, individuals, or resort to usurpation in order to maintain its ascendency. The Administration cannot, as in England, have recourse to the omnipotence of the Legislature to pustify this abuse of power. The British debt bears an interest of three per Parliament is possessed of a legal omnipotence from the nature of the constitution, which is that of a consolidated will reach six per tution, which is that of a consolidated of the Constitution of individual to the consideration of the Constitution, the laws, and for the preservation of the Union. This is still its true and proper object, in the event of such a calamity no man of reflection can wink so fast as not to see that a portion of the States interest of the consideration of individual to the substitution of individual to the confiscation acts repeated, and we must get back to the rest

Upon the principles upon which the war is now waged, there is no rallying.

point for Uniou sentiment in the South.

It is unusual for an invading army to advance without propositions of peace.

South and advance without propositions of peace.

But is unusual for an invading army to advance without propositions of peace.

Unconditional submission to an enemy whose declared purpose is the destruction of their rights of property and social system is all that of property and social system is all that the south has all the resources.

While the South has all the resources.

of rebel States into Territories, for an indiscriminate confiscation of estates, and waging the war for the liberation of the lawes. We also find Mr. Lincoln, under these influences, recommending in his annual message in December, 1862, the call of a convention to secure the emand, without waiting for such constitutional authority, under the pressure of the abolition portion of his party, proceeding to lition portion of his party, proceeding to conduct human weakness and inconsistency further go?

The great and paramount object of all covernments is the protection of private property. It is the great basis of all civilizations. Without its recognition and stable protection there can be not such thing even as communities. The New Goods
