LOCAL INTELLIGENCE.

WEDNESDAY MORNING, MARCH 23, 1864.

How Recruits are Swindled--Districts Should Pay the Volunteers and no one else--Interesting Decision.

Having stated a day or two since that an officer was in this city for the purpose of putting a stop to the shameful swindling of men procuring recruits, and even the recruits themselves, by a set of sharks in our midst, it may not be uninteresting to give the details of a case which came before the judicial tribunal in Philadelphia on Monday.

The respondent contended that they ought not to be compelled to pay \$50, because the men were not in fact enlisted, and credited to the ward on the 4th of February, as stated, but were enlisted and credited on the 15th of February, which time the respondent was paying \$25 bounty. This amount only paying \$25 bounty and no more; as they believed there was no merit in the claim of the petitioner for \$50, as he had admitted that he would make on the ten men ten hundred dollars.

Supposed Blotting. A case has come to the surface in Youngstown Ohio, which, if true, shows a rather loose state of morals in that section of country. The essential particulars of the case, as given in the Cleveland Plain Dealer, are as follows:

Patton Township Election--At the recent election in Patton township the following ticket was elected: Justice of the Peace--John Morrison and William Cunningham. Assessor--John Shaw. Assessor of Taxes--S. Johnston and E. H. Clayton. Judge of Election--Joseph Stevenson. Inspectors--E. Kuntz, K. R. Piper, Sold Disposition--Wm. Tillbrook, James Carothers, Supervisor--Samuel Gill, Wm. J. Lien, Alder--Wm. Beatty. Township Clerk--John Scott.

Oil Refinery Destroyed--We have received intelligence of the total destruction of the "Hamboldt" Oil Refinery, said to be the largest and most valuable of the character in the United States. The fire occurred on Saturday, and broke out at the engine house, which it extended to the adjoining buildings, which in a few minutes were enveloped in flames. Some 20,000 barrels of oil were destroyed, together with the entire building, machinery, &c.

Serious Accident--We are informed that a soldier belonging to the Roundhead regiment, fell from the rarsersy near Enon Valley. The train was running at full speed at the time, and the man was so seriously injured about the neck and head, that he is not expected to survive. He was brought to Allegheny, and properly cared for.

General Grant and staff passed through the city on their way to Washington on Monday night. A large number of citizens assembled at the depot to catch a glimpse of the gallant General, who, for the time, is at the head of the Union armies.

A magnificent stock of lists, caps and straw goods is now open at Fleming's, 139 Wood street. This stock is one of the largest and most complete ever offered in this market, embracing every grade of silk, cassimere and soft fur and wool hats, with a full assortment of ladies' misses' and children's hats, trimmings and untrimmed. Also a large and general assortment of straw goods. The attention of wholesale buyers is called to this stock, as an examination will be found to compare favorably with the best jobbing houses in the East. We advise our readers to want of any article in the hat line, to call at Fleming's, 139 Wood street.

Commodore Poole and Party--We have not found time to visit these wonderful little people at Concert Hall. A writer, however, in yesterday's Chronicle assures us that the wonderful Commodore Poole and his beautiful little party, "the Fairy of the West," have no equal, this side of "Fairy Land." As the management announces an entertainment for every afternoon, and even steam engine Monitor, made entirely of glass, are coming, and will shortly give a number of appearances at Concert Hall, "the Monitor" will be in full operation at each exhibition.

Rebel Prisoner Shot--One of the rebel prisoners recently confined in the Western Penitentiary attempted to desert on the way to Point Lookout, when he was shot and killed instantly by one of the guard. The name of the rebel prisoner was Peyton, and he was a native of Virginia.

Entertainment at Dixmont--Manager Henderson, who is a philanthropist of the practical sort, gave an entertainment to the insane persons now in confinement at Dixmont Hospital yesterday afternoon. The Manager, accompanied by the orchestra, together with Fanny Burr, Harry Howland, Miss Marven, Miss Jennie H. Lewis, and Miss Reynolds, took the afternoon train for the hospital. Arrived there, the orchestra, under the leadership of Mr. Geo. Hart, played a number of beautiful and appropriate airs, and during the intervals the ladies and gentlemen named entertained the inmates and others present with songs, duets, essays, dances, &c., and the brief time allotted to the excursionists, was employed in an endeavor to interest and entertain the unfortunate confined in that humane institution, which, we are glad to learn, was in a good degree successful. Dr. Reed, thought completely by surprised, entertained the party in a most hospitable manner, and after partaking of a sumptuous supper they returned to the city in time for the evening's performance.

Fire at Brilliant Oil Works--A fire broke out at 9 o'clock on Tuesday morning at the Brilliant oil works situated on Negley's Run, on the Allegheny river. These works are among the most extensive in this vicinity, and are owned by Messrs. Lockhart & Freer. The fire was first discovered in the still, and did considerable damage, causing the destruction of a large quantity of oil that was in process of distillation. By extraordinary exertions, together with the very complete arrangements attached to the refinery, may be ascribed the saving of the entire building from destruction. The loss has not yet been fully ascertained, but it will not exceed ten thousand dollars, which is fully covered by insurance in New York offices. The work will be placed in complete repair with all possible dispatch.

Generous and Timely Donation.--Mr. J. L. McKee, of Snowden town, Allegheny county, presented the evidence produced that the city bounty was \$250, but that enlisted men received from the complainant an average less than \$150, leaving a handsome margin for profits for himself.

Kenwood School--The summer session of Kenwood Boarding School for Boys will begin on Tuesday, April 19th. Apply personally or by letter to Rev. J. P. Taylor, New Brighton, Pa.

Theatre--The play of "Stranger" is the attraction at the Theatre this evening. Miss Avonia Jones as "Mrs. Haller."
