The March term of the Court of Oyer Tabor, overlooking the great plain of Esdraelon, the battle field of all ages and notice that the court of the c menced yesterday morning, Hon. J. P.
Sterrett presiding. The Grand Jury was

where with Mr. C. W. Benneyes Pers. sworn, with Mr. C. W. Benney as Fore- Cana, where our Savior turned water man, after which Judge Sterrett deliver.
ed a very able charge, defining at length
the functions and duties of the Grand
The charge contained many value.

Cana, where our Savior turned water into wine; upon the lofty mountains of Lebanon, and upon the ancient oliver trees of Mount Olivet, under which the sacred martyrs toiled for the sins of the the functions and duties of the Grand Jury. The charge contained many valuable suggestions, and we regret that our limited space prevents us from giving it entire. In speaking of the crimes which would be brought to the notice of the Jury, the learned Judge remarked that many of them would be traced to the evil of intemperance. Reference was also made to the license laws, which were regarded by many good citizens as not garded by many good citizens as not being sufficiently stringent. Courts, however, had not the power to remedy the Translation of the centre pyramid, and had already been employed some two weeks in paint. however, had not the power to remedy this. If the laws were not stringent enough, it was the duty of the people to apply to the Legislature for a change. The Courts, it was true, had the granting of licenses to those who sell liquors; and while the people who a right to remonstrate against any applicant for license who had not the proper legal qualifica-sunlight, like letters of living gold. tion, yet very few remonstrances were ever heard. The Court had set apart seen for miles and miles, and when the ever heard. The Court had set apart certain days for hearing these applications, and public notice was given in the newspapers, so that no one could complain of want of proper notice, yet and perhans imagine that other than him. In the proper of the prop complain of want of proper notice, yet and pernaps imagine that other than numerical was doubtless true that the Court man hands had placed them there. His duty to his employers had been fulfilled, applying for license, however, appeared and made out their ease to the a flag-staff upon the very peak of the py peard and made out their case to the satisfaction of the Court, with no one to call in question their fitness, the Court of wood and straps of iron, and announced that it walve o's look or such a day. call in question their namess, the court of wood and straps of from, and announ-should not be held responsible if un-ced that at twelve o'clock on such a day. should not be held responsible if unworthy men should obtain license and abuse their privilege. He hoped that the citizens would see to it in future, and present their remonstrances, which fire, and long before the appointed hour

Attention was also directed to the condition of our jail, and it was suggested that some plan might be adopted where by the prisoners could be made to work. This matter was within the province of the jury, and the gould discuss it among themselves and make such recommendation on the subject as they saw fit.

breathless anxiety and the stillness of death, the thousands of up-turned faces watched every move of the daring and patriotic Wise. As the Egyptian bell tolled the hour of twelve the broad stripes and bright stans were given to the breeze, and there above the peak of the mighty Pyramid waved the proof.

AT MCCALLIMPS case of Emory F. Boyd, charged on oath of Mrs. France with assault and battery with intent to rayish. The district Attorney stated that he was now convinced there was "nothing in the case," and he did not think the defendant should be subjected to another trial

everybody, particularly shoddy con-tractors and the shoulder-strapped gentry who agitate so numerously in and about Pittsburgh, have their pockets lined with The scene was changed, as with the way first issue of continental money was made in 1775. The depreciation began in three years afterward, and went on as follows: March, 1778, \$1 in coin was worth \$1 75 in paper. September, 1778, \$1 in coin was worth \$4 in paper. March, 1779, \$1 in coin was worth \$4 in paper. September, 1779, \$1 in coin was worth \$16 in paper. September, 1779, \$1 in coin was worth \$16 in paper. September, 1779, \$1 in coin was worth \$16 in paper. March, 1779, \$1 in coin was worth \$16 in paper. September, 1779, \$1 in coin was worth \$19 in paper. March, 1780, \$1 in coin was worth \$40 in paper. December, 1780, \$1 in coin was worth \$100 in paper. May, 1781, \$1 in coin was worth \$500 in paper. Not long after these days, the holder of Government money paid twenty thousand dollars for a ham, and ten thousand dollars lars for a ham, and ten thousand dollars there had cost the life of a brave man. for half a pound of tea. Nobody could He was buried at the base of the Pyra complain that the debt was not fairly mit, which will ever be a lasting monu contracted. But failure and repudiament to his patriotism and bravery. tion were none the less inevitable. From present indications. Chase's greenbacks, in the course of time, will not possess more value than the Continental money. "Failure and repudiation" are none the less inevitable now Mentzer, who left Pittsburgh some five than they were then.

The State Quota.—A dispatch from father who was then in the army. Washington says: "An investigation of the official figures discloses the fact that when Pennsylvania is given credit for enlistments in the regular arms." An investigation of liaim is desired to write to his father at Oil City, Venago Co., Pa. Cincinnati and Louisville papers are requested to give publicity to this notice. enlistments in the regular army and that the deficiency of Pennsylvania was March 28th, 1864: that the deficiency of Pennsylvania was over 70,000 is incorrect; that being the entire number due from the State under all the calls, allowing no credit for veteran volunteers and new recruits since January 31st. Governor Curtin has sent his Military Secretary to Washington to procure an official correction of the misstatement, which has done much to discourage the people and retard recruiting the second of the procure of the procure of the people and retard recruiting the people and retar

The Dake Case.—In the Court of Common Pleas on Saturday, Messrs, Kirkpatrick and Mejlon, attorneys for vertising columns that Mr. Thurston will Mrs. Mary M. Dake, wife of Dr. David
M. Dake, presented her petition by a next friend alleging the insanity of her husband, and praying the appointment of a commission to ascertain the fact, with a view to the ultimate appointment of a "committee" to take charge of his person and estate. The Court after an examination of the papers, allowed the prayer of the petitioner, and appointed the Hon. David Ritchie as Commiss.

Directory of Pittsburgh, Allegheny and vicinity, in a few days. We hope that all housenolders will cheerfully furnish his cantassers with the name of every male adult member of their families. It depends as much upon the furnishing of names by our citizens when called on whether the Directory is complete, as it does upon the labors of the compiler. the Hon. David Ritchie as Commis-

solved to give the Sanitary Committee the use of the public square for the erection of the neccessary buildings for the coming Sanitary Fair. It was also resolved to remove the old town hall and weigh scales, so as to give the Committee the largest possble space for the erection of the new buildings. About twenty car-loads of the lumber have already arrived, and the work of putting the sanitary of the control of the new buildings. About twenty car-loads of the lumber have already arrived, and the work of putting the sanitary of the control of the new buildings. About twenty car-loads of the lumber have already arrived, and the work of putting the sanitary as these men belong to a regiment which has been shipped east two or three times, and only later two or three times.
