AT PITTSBURGH, PA., For Sick and Wounded Soldiers and Sailors.

ADDRESS. THE PITTSBURGH SANITARY COMmission, established for the relief of the sick and wounded soldiers, announce to the public that a

Great Fair will be held at Pittsburgh, Pa., com-The First Day of June, 1864. The object of the Fair is to obtain money to chable the Sanitary Commission to proceed with their good work with increased energy and usefulness. The practical workings of the United States Sanitary Commission have been of such incalcuable good, and have met such high, approval from the entire people, that an enumeration of its claims is useless.

Every one feels it a duty to succor the wounded, sick and disabled soldier. The promptings of every loyal heart speak clearly, that we, who do not bear the dint and turmoil of the battle, should provide liberally for the "war-worn sons

should provide liberally for the "war-worn sons of the Republic" Christian charlty speaks trumpet-tongued to each and every one, telling us to tender to the wants of those who are sick, wounded and distilled in our country's glorious The duties of our common humanity teach us that all should unite in the cause; and if a cup morth water a too to go unrewarded, what imbound on the cause is not to so deserving and charitable a work.

Aluch good has been accomplished in the past. Much more can be done in the future by united, energetic and liberal action tavoring the United States Saintary Commission. Double Lock Stitch Machines.

Alluch good has been accomplished in the past. Much more can be done in the future by united, energetic and liberal action tavoring the United States Samitary Commission.

The ranks of our armies are being rapidly filled, and several hundred thousand brave soldiers now stand "shoulder to shoulder" to uphold the lives (personal and political) of the people of the Great Republic—to hold sacred our homes and our altars—to preserve our social, commercial and political prosperity, and shall we not succor and aid them when wounded, sick and disabled tour sister cities, New York, Brooklyn Philadelphia, Cleveland, St. Louis, and all throughout the length and breadth of the fand are engaged in this holy and necessary work. Shall not we also show by our liberality and bounteous charity to this Fair that we, too, feel for the cause, and will give means towards it!

This is no merely local matter. We cordially invite the donations, contributions, aid and cooperation, not only of Allegheny city, Birmingham, Allegheny county, and the State of Penn sylvania, but of Ohio and all the States of the Republic. The receipients of the care of the Sanitary Commission are the soldiers of the United States, without regard to what special State enlisted from, citizens or foreigners, old or young, and without any respect to sect, faith or color. All who fight and are disabled in the cause of our common country, are embraced in the management and care of the United States Sanitary Commission. We therefore sak the hearty coperation and aid of all.

Donatons of money will be thankfully received by the Honorary Treasurer of the Fair, N. Holmes, esq.

Contributions of merchandise of every nature will be received by the Committee appointed for that purpose.

The Fair will be under the control of the Executive Commistee, F. R. Brung eq., Chairman, and replies will meet prompt attention addressed to S. F. Vos BoxNhobst, Honorary Corresponding Secretary, Pittsburgh U. S. Sanitary Commission Fair, Pittsburgh, Pa.
