PITTSBURGH:

MONDAY MORNING, APRIL 11, 1864. MASSACHUSETTS, AND THE WAR. Although the fanatical teachings of Present civil war, the Abolitionists of that State have not shown any alacrity whatever in entering the field. In the Massachusetts, did much to produce our whatever in entering the field. In the Mexican War, Massachusetts was represented by one regiment from Boston, atid it was composed, exclusively of Irishmen, and in our present contest that State are foreigners by birth. Hav- pounds. Ting drained the State of this class of

the trade of immigration; she is importing soldiers to do her fighting, as we "See by the following announcement: Fifty Germans, most of them veteran war riots, arrived in Portishd, Me., on Saturday, direct from 'fighterland' having been hired to come to this country and enlist in the quota of the field in the field of these Germans sharebeen Engaged to enlist on the quota of Bouton, and a detachment is expected hereafter by every steamer.

"ced that if the President would issue an emancipation proclamation New England would "awarm with volunteers." All that the valiant abolitionists there mo needed to induce them to enlist in a war which their teachings created was a bull against the comet, and then conscriptions would not be needed. They dwelt ²≥upon this theme, until they finally wrung from the Administration their coveted proclamation, but did Massachuresetts awarm with volunteers? Not a value to the country." The country on the shelf?" "I voted against it," will be glad to learn that anything connected with the "President's policy" But this resolution, thus adopted at so late a day, will not save the Administrate. setts swarm with volunteers? Not a

will be flad to learn that anything contended to exhibit the country will be flad to learn that anything contended to exhibit the crew being contended to exhibit the water and pay masters. These situations are attractive to these New England philanthropists, who have go atomach for the war; any yet they boast more about their valor than we used to hear from the hoitest Southern fire-cater.

What a wonderful revolution has been suddenly produced in the mind of Massachusetts regarding foreigners. A few years ago she lead off in the Know Nothing, crustage, her teaching poisoned all of New England. Maine and New Hampshire, then the Gibrattars of Democracy, howed their necks to the infamous and proscriptive yoke, and they have ever since been forement political creased, but their composition to their former political creased. Not the port craile, who flag from more and the contended of the control history; she will return to the persecution of even the very men who are now died.

the sake of persecuting the war into a lished a basis from which we need not eir. We are not surprised at such tacts as the following the ded to the objects, and of course added atthough the persons who write them are We history; she will return to the persecu-

fighting her battles, and while proscribing them for political or religious convictions, she will, at the same time, clamor for miscegenation and negro GENERAL BUTLER FOR PRESI-In the event of "ABE" being thrown stead on another tract. But if he has to one side in the Baltimore Convention, | proved up and paid for his pre-emption an effort will be made to nominate the or chooses to abandon and give up his "beast Buriner:" and, it is said that this in expectation of reaching the White to his acquiring a homestead because House, as its occupant. His last per he had been a pre-emptor.

House, as its occupant. His last performance, which is just now attracting Abolition admiration, is a sanguinary order, as declaive as the rescript of a Roman Emperor, it is in relation to dogs. Every fourth dog in his province, regardless of age, sex or condition, or the feelings of owners, shall be slain; and a Brigadier General at the snug sum of \$3,500 a year, is employed to see this bloody Business performed. In the language of that strong minded Abolition person, Miss Anna Dickinson, we are

crusade against dogs? It cannot be that like Pope, he intends "subsisting on the country," and then why this relentless and folloodthirsty on slaught upon the fourth dog? Does the canine loyality of and had the appearance of accomplished transfer by the relent to the pockets of the visitors. They were dressed in the height of fashion, and had the appearance of accomplished transfer by the relent to the pockets of the visitors. They were dressed in the height of fashion, and had the appearance of accomplished transfer by the relent to the pockets of the visitors. They were dressed in the height of fashion, and had the appearance of accomplished transfer by the relent to the pockets of the visitors. They were dressed in the height of fashion, and had the appearance of accomplished to the relative to the pockets of the visitors. They were dressed in the height of fashion, and had the appearance of accomplished to the pockets of the people unanimonsly resolving, that it does not please the United States to see a European mon archy erected on the ruins of an American republic! They do not like it. Of course not. But what of that? What idle breath is this against the monarchy? BUTLER's realm bear the ratio of one to four? The fate of that fourth dog challenges the pity of the humane. We shall look anxiously for BUTLER's report to the presence of thousands of spectators. to the war Department of the results of the fair buildings. One of them, quite a handsome man, was required to have the procession, with a police on each the surrough of the procession, with a police on each the surrough of the procession.

Wholesale Poisoning at Cleve-the day to poison the inmates of the United the procession, with a police on each the top Saturday morning the the transgressor is hard." "Bleeding has been doubt can truthfully say—"the way of the transgressor is hard." "Bleeding the hospital at Cleveland, Ohio. It appears that on Saturday morning the inmates of the hospital partook of their usual breakfast, consisting of bread, coffee and hash. About three hours after several began to feel sick and throw up losing his old friends pretty fast, and no doubt can truthfully say—"the way of the transgressor is hard." "Bleeding the hospital at Cleveland, Ohio. It appears that on Saturday morning the inmates of the hospital partook of their usual breakfast, consisting of bread, coffee and hash. About three hours after several began to feel sick and throw up their food, and an hour later the symptoms and object of the hospital at Cleveland, Ohio. It appears that on Saturday morning the publican has the following remarks. It seems also the hospital partook of their usual breakfast, consisting of bread, coffee and hash. About three hours after several began to feel sick and throw up their food, and an hour later the symptoms and the transgressor is hard." "Bleeding the hospital at Cleveland, Ohio. It appears that on Saturday morning the inmates of the hospital partook of their usual breakfast, consisting of bread, coffee and hash.
