CONCENTRATION OF TROOPS. officer an angelor they cannot properly officer an angelor they cannot properly view the aspects of this great war. They must believe Baltimore to be unanimously Union and that the people of Maryland, with a few insignificant exceptions, love Lincoln; that Missouri is ready for emancipation and Kentucky for miscegenation; that North Carolina is ripe for a Union revolt though very strangely every one put into power there From Washington dispatches published in the New York Press, we are positively informed that Gen. GRANT's plan of operations against Richmond, must result in the speedy capture of that pestilent rebel capital. He has taken measures to add numbers enough to the regtrangely every one put into power there ular similes in the field, to make them by popular vote represses such sentiirresistible from mere weight and moments. They must sympathise with every ragged outcast who calls himself mentum. The troops are now massed, , we are informed, upon such lines as the

a southern refugee, and embrace every negro who ever was a slave. They must Lieutenant-General pelieves lead to the vital strategic points of the revealion. believe in the Fort Pillo w massacre, and if there was not one at Plymouth'it was When the shock of battle comes our Union armies will be found in stronger force than they ever were before. In think of the the view of the stronger is force than they ever were before. In Union armies will be found in stronger force than they ever were before. In

addition to this we are also informed that both armies are in motion, manouv-ering for position, preparatory to the onset which is expected to crush the rebels in Virginia. We might go on here and draw some shrewd inferences for sympathizing with the rebel Han. cock, and curse Fernanda Wood for symfrom the intelligence received, relative to the probable result of Gen, GRANT'S pathizing with the rebel Davis. And tactics; but inasmuch as the Pittsburgh poor fellows, worse than all this, they must endorse the Republicanism and Chronicle is regarded as the only authorloyalty of Lincoln, Chase and Fremont, ity in military strategy in this locality, we feel somewhat diffident in trespassing. all at the same time; of Blair junior, and M'Clurg; of the Inquirer, and the upon its undoubted prerogative. We National Union Olub, or they are not might demonstrate that if GRANT has

genuine leaguers. When McCkellan is in favor, they are more forces than LEE in the coming battle and they fight better than the rehels www.having.the advantage of po-sition-then the intelligent reader will, other in giving him a kick. They have to believe that Grant was intoxicated at other in giving him a kick. They have to believe that Grant was intoxicated at Shiloh, and a dunce at Donelson, or they cannot make him a hero at Vioksburg.
Shiloh, and a dunce at Donelson, or they cannot make him a hero at Vioksburg.
Hooker'is a great strategist before Chan-cellorstille; after it a poor fellow who may go where he pleases for all the garded the previous battle at Muffrees-boro as a brilliant victory; as soon as the sectified defeat comes, they suddenly find out that there wis a first defeat. Pope, with his 'headquarters in the field '' is worshipped by them; scarcely does For-tune's wheel turn, than they pack him off to Minnesota.
Far worse than this is their strange that the South is a foreign nation, yet with the South is a foreign nation, yet itor against this one. They have to be-they have targible evidence to the con-trary, they cannot satisfy Mr. Chase un-less they acknowledge his greenbacks to be better than gold. They are against after mature reflection, conclude that our side will profit win 3 But on the contrary, if LEE has superiority of numbers, together with the selection of the, field, and our ammunition should become exhausted early in the engagement, the chances would unquestionably be on the rebel side. We merely hint at these things in passing, and trust to our intelligent evening cotemporary to amplify them in its usual saga nous and instance tive man net IA . FIOT

But now that this splendid campaign against Richmond is about commencing and that, too, under the most promising auspices, what have become of the pantpatriots who were so disgusted, two Meersuse Mcerellan, with for forces did not in a single cam. eriment? The entire Confederate Gov.

For instance, they have to join with and forts around New York in the abto such dodges frequently, but without success; we are glad to see him under the management of the politic, and pop-uber CARNAHAN more successful. They be successful. They successful the politic and pop-the politic and politic and pop-the politic and politic and pop-the politic and poli the War Department.

his five per cent. bonds or else they will not be loyal; they have to give all the THE celebrated Processor Lourdout, of Montpelier, France, was obliged to recommence his medical studies from the beginning, after terminating them with distinction, a typhoid fever having destroyed the memory of five or six la-borious years profits of their last contract to the Sani-tary Fair or they will be stigmatised as ungenerous; they must call the Christian Commission hard names or they will not be orthodox; they must believe that every rebel is a fiend and every Federal borious years. ARTIFICIAL LIMBS are now made of

vulcanized india rubber. As they are hollow, all the machinery is contained within, and is not liable to be deranged or broken. They are much more readi ly made, and lighter than those made of wood or iron.

A BOILER explosion occured in the gas fixtures establishment of Cornelius de Baker at Philadelphia on Monday, which killed three men outright and caused the wounding of some fitteen others. A piece of the boiler, weighing a ton, was carried a distance of three squares, killing a man in its descent.

LYON'S KATHAIROS. - KATHA iron is from the Greek word "Kathro." or "Kathairo," signifying to Genake, rejuvenate and restore. This article is what if a name signi-fles. For preserving, restoring and beautifying paration fn the world. It is again owned and put up by the original proprietor, and is now made with the sime care, skill and attention which gave it a sale of over one inition'bottles per amum. THERE is a man who does the principal part of his advertising by writing his name and business on the back of bank-bills. Perhaps he is not aware that, in case those banks whose notes he thus indorses were to break he could be held responsible for the fate of the note. Courts have so decided in similar cases.

GENERAL BUTHER is talked of as a candidate for the Presidency, and his friends are pushing him hard for the Baltimore nomination. These gentle-men had better call and see Mr. Stanton. The Secretary's office we fear contains some important documents which the General had better get possession of be-fore he asks the people for their votes. An expedition was recently sent up the Rappahannock by Commander Fox, which destroyed two ferries, a large number of boats, white oak ship timber, arms, supplies, &c. It is reported that

when McCkellan is in favor, they are to prostrate themselves before him, and call him the young Napoleon; when he is removed, each has to vie with the the streams leading into the Chesa-but the expedition spoken of did not meet with any of them.
