LOCAL INTELLIGENCE. FRILAY, MORNING, MAY 6, 1986.

A Drunken Woman The other day as we glanced into the cells of

of view the city prison, we observed a woman lying on a board bed, dead-drunk. She had been ficked up by the police and cared for as well as on Allegheny Avenue \$1,040, assessed on sime their accommodations would afford. It was well enough that she was brought Ad and prooad. An ordinance for grading and paving Fre tested and thus saved from further exposus ont street leading to the Cemetery was voted We did not ask er name, or her residence, for down. The Mayor was required to have orders drawn to pay viewers of Allegheny; avenue the scene was too revolting. Let us indulge the fancy in drawing three or four pictures 10 apiece. Telegraph dispatches exclude the from the life-scenes of this poor unfor other proceedings of this and Common Council

The first picture is a little child, dandle parentingly, on the knees of some fond parent beautiful child-so beautiful that the crowd mo, the employees at the Government bake-house, foot of G street, Washington City held a of friends who gather around can find no name in all the catalogue of name, good enough and sweet enough for the darling babe. After conneeting for the purpose of taking into consider ation the propriety of asking the proper author suitation they select some euphonious word, ities for an increase of wages, when a petition perhaps Genevra. What joy thrills the heart was adopted and signed by 143 persons of the fond mother, as the physical being o This petition, which is reasonable in its de this child is developed, and what raptures stin mands, was presented by a committee to Mr. the bosom of an affectionate father, as he re-Lyman, the Superintendent of the bakery, who turns from his place of business, to hear the refused to present the petition, treated the pesweet prattle of his darling girl. tioners like dogs, and called the Provost A few years pass around and she is a sweet ruard to drive them from the bakehouse. Destitution .- The local of the Franklin Repository writes thus :- At the Jersey City Depot, a poor girl, dressed in tawdry finery, attracted, doubtless, by the benevolence of our counter ance, walked up to us, us of the RE-POSITORY, saying, "Oh, sir, won't you pay my passage to Philadelphia. I have no money, and I want to go home to my mother." We condescended to look at her. She was not ill-looking, pparently not over eighteen, but dissipation had left its ineradicable marks upon her girlish face. Our first impulse was to pull out our wallet and from its scanty store to cull the required sum, reception of fracts, especially of one entitled, "Surrender yourself," and finally appeals to but looking around we saw the stern, calm eyes of Mrs. Grundy fixed upon us. With a glance his friends to write often to him and to others of of disdain we turned from the pleading look, though not before we observed two big hopeless their acquintance. The letter is truly one of an tears starting into the hollow eyes, and took our affecting and interesting character. seat in the car. The pleading look followed up We shut our eyes and still saw it ; we tried to read, but it forced itself between our eyes and the page. For the life of us we could not help

reciting to ourselves, keeping time to the revo lution of the wheels : "Ope more unfortunate, Weary of breath,

Rashly importunate, Gone to her death

Suppose that in despair she should drown herself, would God hold us responsible, when three dollars might have saved her ?

Duonesne Way .-- It is a remarkable fac that one of the busiest thoroughfares of our city is ushered in with processions in all the churchis not paved, and yet the fact must certainly be es, at which large numbers of beautiful young known, at least to the citizens of the 4th ward Duquesne Way, from Irvin to St. Clair street virgins and female children assist. Yesterday, has not a boulder on it, and the water that runs being Ascension day, the anniversary of the from the sewers in Scott's alley, settles in a puddie upon the street and makes the mud intoleraobserved in St. Paul's Cathedral with services ble. And this is not the only nuisance on this appropriate to so important an event. street, but oil barrels are placed upon the limits On a Strike-The Detroit Free Press says :
