TWENTY YEARS STANDING

CURED.

Below will be found a certificate from one of the most respectively efficient of Wilkins township in Horticultural & Floral Department. In addition to our usual extensive assortment, one need be deceived in regard to his preparations. Dr. Gro. H. Keyser :—1 became affected with |SANITARY|FAIR, Piles about twenty years ago, and every year they were growing worse, so as to trouble me very much, so much so at times as to unfit me for work. Sometimes I was so bad that I could not do anything on account of them, they came out on me as large as a hickory nut. I had tried out on me as large as a hickory nut. I had tried ent exigencies of the time; and the development a great deal of medicine for them. I used to buy of each day alone, will urge the Patriot and of each day aione, will urge the Patriot and Philanthropiat.

I could not get cured, sometimes they would do me some good for a little while; but afterwards ample extent, and where careful attendants will shade be at land where careful attendants will shade be at land to the the comments of the same are the standards.

they would return again as bad as ever. I also may rest assured that the owners of plants may rest assured that their collections will be applied to two Doctors who visited me at my duly cared for. In addition to the ordinary produce the form house and gave me some medicine but it would duets of the green-house and garden, the Comnot do, I could not vet well. Over a year ago 1 mittee also solicits contributions of got an advertisement of your Lindsay's Blood-Searcher, made by yourself-when you sold it to me you told me one bottle would not cure me, and that my whole system would have to be renewed by the medicine before I got well. I bought one bottle and took it home with me and used it according to your directions. I then called to see you again, when you said I could no expect much benefit from one bottle. I bought it on, one bottle at a time, until I had used five bottles. After this quantity had been used, I was entirely well of the Piles, which had tortured me for twenty years. In other respects my health is improved, and I am as well as could be expected for one of my age, being sixty years In short, Rustic Ornaments of every kind, or t New Goods past. I have been well now for six months, and anything of a rural or rustic character that Joes there is noappearance of a return of the disease; not strictly belong to the Agricultural Depart-I can do any kind of farming work now without the Piles coming down and hurting me. I can designs, baskets, &c., so as to insure a constant pitch hay, chop wood, lift, or do any kind of work which before used to hurt me. When I found out your Blood-Searcher I kept on taking it until I got entirely well. I consider it my duty to make my case known to the country for the benefit of others who may be suffering as I was the Fair, with Bill of Lading marked and do not know the value of your medicine. PITTSBURGH OFFICE, NO. 27 FIFTH STREET, WM. SUMNER & CO.,

EXTRACTS FROM A SPEECH DELIVERED IN THE U. S. SENATE BY SENATOR POWELL, of Ky., In Reply to some Remarks made by Mr. Sumner of Massachusetts.

In the first hour of his speech to-day, the S nator gave us a kind of rehash of the report he made from the committee on

amine, and you will then agree with us, that it is an almost perfect instrument.—Evening Post.

VERY FAMILY is made happier by the introduction of this trustworthy machine.—Christian Intelligen.

The Arthou Learning Post in the distribution of the fugative slave law, in which he treated of the question of constitutional power. I will do the Stantor the justice to say that his language was excellent; he does write good English; but I must also say that his report is the most illogical and unlawyer, like paper I ever read in my like coming from a gentleman of such learning and freedmen, (I believe that is its name.) THERE are good, better and best, and the best machine, we feel entirely of truth and logic to it; he exposed its safe in saying is "Wheeler & Wil- sophistry, its want of historical and constitutional truth; in a single charge he scattered it to the four winds; but we have had a rehash of it here to-day. I shall enter into no constitutional argument for Scientific American.

HAVE received the Highest Premiums wherever exhibited.

The Senator difference and burning censure against those who are striking down their liberties, it than the would not assist in the execution of the fugitive slave law, a law made in obselvance to the command of the Constitution. The Senator difference of a good and just man, to carry out his abolition schemes.

The Senator from Massachusetts talks affe he had all his continued to the length and broad to the constitution. The Senator difference of a good and just man, to carry out his abolition schemes.

The Senator from Massachusetts talks affe he had all his constitution blood; but before Good, Ishall advise the people everywhere, rather than submit to the degradation of having the fugit of the fug

Ing free speech, a free press, and free ballot taken from them, to strike the usurpers to the ground. If a free people will be described by the first and give their blood for these the structure of the best thing for them would be to die, for they will have been salaves.

I hope we will have hereafter the perfect freedom of elections everywhere; that we shall have free speech, a free press, and free ballot. These are all the warp warp on this subject of the conservative men in every State of the Union to fight for them; I do not the conservative men in every State of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the Union to fight for them; I do not the conservative men in every state of the unique tent to the conservative men in the unique the money they wanted, and the money they wanted, a

affairs of nations when it is right to go to war. I read it merely to show the Senator's inconsistency.

MR. SUMNER. The Senator will allow me to say that at the time I made that remark I had very little idea of the barbarism of slavery.

MR. POWELL. I have no doubt of that, and if the Senator would look into him self the would find that he is more barbarous than perhaps any slaveholder that within sound, of the drum, and fife and described the barbarism—the barbarism of fanaticism. I am a slaveholder; and if believed that I had about me half the barbarism the Benator has, I should be disposed to hide from the civilized world. But, sir, let me go on with the speech from which I am quoting:

"War is utterly ineffectual to secure or advance the object at which it professes to aim. The misery which it excites ses to aim. The misery which it excites contributes to no end, helps to establish or right, and therefore in no respect determines justice between the contending on allows."

Why does the Senator carry on this war, and to pay the fin or determined to defray the expense of this war, and to pay the fin or determined to pay the fin or determined to pay the fin or determined to pay the expense of this war, and to pay the fin or determined that the immense debt that is accruation the expense of this war, and to pay the fin or determined that the immense debt that is accruation to pay the fin or determined that the sex the immense debt that is accruation to pay the fin or determined that the sex the immense debt that is accruation to purpose of this war, and to pay the fin or determined that the sex the immense debt that is accruation to purpose of the purpose of the brunting to purpose of the purpose of the brunting to pur affairs of nations when the string to go wrenched from him by the string the wrenched from him by the string the string to show the senator's inconsistency.

Senator's inconsistency.

termines justice between the contending nations."

Why does the Senator carry on this war? Just for the love of blood, havoc, public plunder, and the destruction of human life? He boldly and clearly and most perspice palved declared in 1845 that
