PITTSBURGH THURSDAY MORNING, MAY 26, 1864.

TRIFLING WITH THE PEOPLE. Hon. JOHN L. DAWSON, a couple of weeks since, believing the annoucement of the war. Department, that the rebel revolution, when they adopted linseytake delight in fooling their readers by cent. more to the New England monopextravagant endorsements of bogus dis- olists. Let the women of the country their duties and how to

patches announcing the results of im-aginary battles, is the New York Tri-Let them give their jewels to the coun-we would urge them to abandon their bune.' It professed to believe all that try as did the ladies of Berlin, and use seats in Congress and return home to their constituents. When such acts of the War officers announced; but, not iron ornaments instead! But let it be a violence occur and are persisted in, conson's good and humane intentions, in Let them buy clothes and all other things overthrow of the civil laws, by military son's good and numane intentions, in Let them buy clothes and all other things overhild were they can be got cheapest; and let of the state plays in the federal Congress them ston talking eternally shout their of the state plays in the federal Congress them ston talking eternally shout their of the state plays in the federal Congress them ston talking eternally shout their of the state plays in the federal Congress them ston talking eternally shout their of the state plays in the federal Congress them ston talking eternally shout their of the state plays in the federal Congress them stone talking eternally should be them stone talking eternally should be them stone talking eternally should be the state plays in the federal Congress talking eternally should be the stone talking eternal "These being the facts, les Mr. DAWSON, without waiting for the House to accept his resolu-tion, start at once, on his own private account dress.

for the camp of General LEE, with a whole

THE 10-40 LOAN.

cart-load of olive branches. Some good may the market there has been very great the chambers their representative char-

cart-load of olive branches. Some good may come of it. Mr. DAwson may possibly be treated as a spy." We see these flippant and pointless generally, as if they contained something crushing to the member from Fayette. If, , when GREELY in 1848, in Metropolis of this country, offered reso. Metropolis of this country, offered reso-lutions in favor of the Irish rebellion, some heartless and brainless fellow had some heartless and brainless fellow had liabilities. The country is certainly not egates from Ohio, can find among their advised him to approach the English prostrated beyond resuscitation. Its constituents, a wider and nobler field of government with several cart loads of manufacturing, agricultural and comolive branches, he would hardly have mercial interests are just as great as for-eloquently and impressively as any insulacturing, agricultural and com-bive branches, he woild hardy have suggestion would have been quite as mark as the one in question regrating the Bouthern rebellion. The *Tribune's* inbalty; however, serves to show that inter the war had not produced a scarcity of the war had not produced a scarcity of the state and how produced as scarcity of the state and how produced and provents scale the state and how produced scale and provents scale the state and how produced scale and provents scale the state and how produced scale and provents scale the state and how produced scale and provents scale and provents scale the state and how produced scale and provents olive branches, he would hardly have mercial interests are just as great as for-appreciated the joke. And, yet such a suggestion would have been quite as the war had not produced a scarcity of the war had not produced a scarcity of the laws to repress such inju-the words they can utter. What remains to be done, in the ex-termin of the laws to repress such inju-the words they can utter. short of their utter annihilation will ap-pease GREELY's faction's thirst for and must always be able to meet its lia-told even on the callous annrabusion of indigpeage GREELY's faction's thirst for blood. The fiendish cruelty of the fierce PESCARA, in driving the Moors from Spain, was not more terrible and unrelenting than is the spirit of our loading forestion to react and the spirit of our loading forestion to be found in the worth of the shoals ever loading forestion to react and the shoals ever loading foresting forestion to react and the shoals ever lo leading fanatics towards the Southern to be found in the path of the ship of people. If this fell desire for blood and State. In taking these loans up prompt-carnage is not checked the present gen. by there is less probability of forther is. carnage is not checked, the present gen- by there is less probability of further is- Co., as an entering wedge of usurpation. eration will not see the end of our pres-ent troubles. The idea was to conquer The large issues of paper money, in the 'We let our words stand! We retract ent/roubles. The idea was to conquer peace, by breaking the armed force of the rebellion, but when a proposition for a return to peace is offered, because of the Government announcing that the component of the 10.40 Loan is an earmest of of the Government announcing that the no depreciation. At an events, the suc-rebellion is tottering to its fall—it is re-ceived by the leading Abolitionists in the menner we have seen voted down represented the propular estimation of our loans in the menner we have seen voted down ceived by the leading Abolitionists in the manner we have seen voted down in Congress and ridiculed throughout the land. All this is but indicative of the wants of the Government fully sup-the wants of the Government fully sup-nied. - the armies of the rebels were destroyed, A CHANCE FOR LOYAL LEAGUERS and the people of the South upon their knees sueing for peace and pardon. A GENERAL LOYAL LEAGUER. Mr. Joshie Howard, jr., the gentle-man who light to turn an honest penny in the way of stocks, by the put lication of his bogus proclamation, turns | coming? out, as we suspected he would, to be a 127 Our commendation of Gov. CURgenuine loyal leager; he is, besides, a most pions and exemplary member of HENRY WARD BEECHEB'S congregation. In him we have the real embodour part. MEXICAN MUSTANG LINI-MENT.-The parties in St. Louis and Cincinnati who have been counterfeiting the Mustang Liniment under pretence of proprietor-ship have been thoroughly estoped by the Courts. To guard against the further imposition, I have procured from the United States Treasury, a pri-vate steel-plate revenue stamp, which is placed over the top of each bottle. Each stamp bears the fac-stimile of my signature, and without which less impistion. Examine every bottle. This Lin iment has been in use and growing in favor, for many years. There hardly exists a handly of the habitable globe that does not contain ev-dence of HS wonderful effects. It is the best emolent in the world. With its present im-proved ingredients, its effects upon man and beast are perfectly remarkable. Sores are heas ed, pains relieved, lives asved, valuable animal, made useful, and untoid ills asvaged. For outs, pruises, sprains, rhenmatism, swellings, bites, effect oreast, strained horses, dc., it is a Sover-ir, remedy that should never be dispensed with. It should be in every family. Sold by all druggists. Besides our own manufacture we have a large stock o Ritter & Penfield's Oelebrated Trusses, Dr. S. S. Fitch's Celebrated Trusses,

Marsh & Co.'s Celebrated Trusses, FRENCH, ENGLISH and GERMAN
