seem to have politics in their hearts, of warfare to re-establish the Constitution while their religion is confined excluand re-construct the Union, to be told that sively to their heads. they have mistaken the object altogether Our chief object, however, is to direct -that it is only to re-elect a President:

attention to the resolution offered by and that President the "the goose that Rev. Mr. VAN DEUSEN and adopted as lays the golden egg." And with this a substitute by the Convention. Here | light dawning through their apprehenit is: sion, they will be thankful accordingly.

Resolved That we hereby declare our unfel tering allegiance to the Government of the United States, and that we pledge it our willing For The Post.

devotion and service, and that, as a body of Christians, we will ever "pray that in God's own time and way this rebellion may be put

down; that oppression and slavery in all its be considered almost a success. We had forms, may be done away, that freedom of body a set of resolutions offered that Theoand mind, political and religious, may every-where prevail; that the emancipated negroes, dore Parker himself, were he alive. whom God, in his Providence, is committing to could not have improved. We submitted our care, may be the objects of our liberal and them just as a matter of course, and it Christian regard and instruction; that war may only required the unanimous vote of the soon cease throughout all our borders, and members to entitle us to full fellowship that our now lacerated country may again be so anited that from the lakes on the North, to the with Bros. Higginson, Cheever, Beecher, Gulf on the South, and from the Atlantic to the &c. 'The mover of the resolutions han-Pacific, there shall be but one Union, one Govdled the matter ingeniously, some of the ernment, one flag, one Constitution, in that opposition intimated that he was a polihigher glory which shall make this nation Emanuel's land-a mountain of holiness and a tician, but I don't think so. Still, as if

dwelling place of righteousness. the fates were opposed to our party, they This resolution, breathing as it does a could not be immediately put through. Christian spirit, may not suit the bloody | Several got to making speeches, definpurposes of Abolition infidelity, but it ing positions, &c., and among them a must command the support of everyone, very old, white haired gentleman saw not altogether effected by the fierce fury proper to speak of the whole thing as an of continual agitation. Had the conven-tion passed resolutions recommending subjugation, negro equality with the whites &c., it would have met the re-quirements of the partisan. Being a reli-gious body, and not a political one, it did =-bt in shoring more respect for the insult to religion, in fact as a political of continual agitation. Had the convenright in showing more respect for the gentleman (else he might have done more harm) by, I think, saying some-Almighty than it did for the schemes of

crafty partisans, Talk 2514 thing about "traitors," "copperheads," &ch I sayal think he said so, as his THE DOCTRINE OF MISCEGENA.

pronunciation, like my own, is some-TION. what imperfect-however he did good When a Democratic newspaper twits the Abolitionists with their debasing tendencies towards an advocacy of amalgamation or miscegenation, it is answered by the assertion that in the South amalgamation is carried out to the accepted, but it was; and although again greatest possible extent. So often and defeated, we are sure that the sympathy so persistently has this been said that of this community is with us. We did all most probably many of them really bein our power to secure a fair expression lieve it. Their virtuous indignation at the beastliness of Southern slave owners. in this particular, has perhaps made many persons think that Abolitionism must, perforce, be the epitome of all the Christian graces and all the wirtues. Dry statistics may serve to break the charm of this delusion, however, and serve to show that many of our kindhearted, philanthropic fellow citizens, who through sympathetic feeling first pity the oppressed have then a tendency to embrace. The census, like figures, can't lie-and facts like the following are like a tarred stick-very nasty to Hopkins 'et al.' Possibly he will use them take hold of: "The census of 1880 shows that while more upon this fine, unobtrusive old gentle."

The census of the solored people of the man with feelings skin to admiration— North are mulatives, only one-thirtieth of the it may be awaakness with use -it does my population are mulatives. Among si it may be awaakness with use -it does my 204,313 alsves, sadase were mulatives, of has heart good to see him come into church; or has heart good to see h more or less white block; while of the 195,000 with his file, big white pocket hand febreads wed
