The men in power, could not be done in the popular estimation.

McKeeson & Borbins, New York.

French, Richards & Co., Philadelphia hourly levelled at them from presses the properties of the pro the men in power, could not possibly so | Contment 50c per S oz jar. No. 320 Strand, Lonunlawfully trampled under foot."

THE WAR. Upon the strength of a statement in the New York Tribune, to the effect that, in the first six days of the present campaign in Virginia, Grant lost 40,000 men, we concluded that, up to the time of writing—one day last week—our western wing of the Federal army is on the south bank of the North Anna. The eastern wing is still on the north bank.

Mount Carmel Church is situated four Gazette, of this city, as evidence of a de- miles north of the North Anna and four sire upon our part to make our losses miles west of the Fredericksburg rail-

greater than they really are. No one that the fredericks and the stream, but a bloody and cowardly finatic would two miles above the Fredericksis rg rail. intimate such a shameless falsehood.
Such reckless assertion, however, may be pardoned in a paper which rejoices
Bridge. On Monday at noon General Grant's advance reached Mount Carmel We were unable to find room this der Burnside at Fredericksburg, because into two columns, Warren's corps led morning for the communication of it said the "hand of Providence was the western column, and Hancock the morning for the communication of Madistry, and the mand of Providence was mand of Providenc pear to-morrow morning, and, written pear to-morrow morning, and, written as id is in a calm, dispassionate, and charitable spirit, we ask for it a careful nermsal by all our readers.

Carmel Church. The two columns moved forward on Morday afternoon. Hancock encountered the enemy in some rifle-pits defending Taylor's Bridge, which were constructed along a small creek just north of the river. Warren ready of blood and carnage, while the creek just north of the river. Warren dark dresses, sallow cheeks and wasted found them in a tete du pont, also on the

Constitution. Said he: "In the first Fredericksburg railroad bridge. Hancok's regard to the destruction of the Consti- tance above Taylor's Bridge where Anna rivers. Parallel to the North tution and tear out the vitals of society. Anna and at distances varying from two After more evidence adduced to prove that this black bird of prey may soar in to four miles south of it, the Gordons-triumph and freedom. Let the owls, ville railroad runs. These varying dis

has felt that, to avoid ill feeting, and discord, some heed must be paid to political favorities, and to the favorities of our adopted citizens."

Having crushed out Butler by exposing his incompetency, the Times, in the last paragraph quoted, turns its guns full upon Butler's master and patron—"Honest old Abr" himself—but with what effect cannot be seen until the what effect cannot be seen until the more of manuscript, which the Cabinet had substituted for this sentence.

"A Model Corporation. The Bail, more city Aboltion Convention at also meeting last week passed a presolution approving the course of the Mayor and City Council in providing a suitable place for the meeting of the Lincoln convention, which meets in Baltimore on the life of June. Never before in the history of Baltimore did its Mayor and Council take any part or interest in the meeting of a national party convention; pletely the people of Baltimore and Maryland are bound hand and foot by

the party in power. ISTHIS REALLY TRUE !--- A Cairo telegram to the Chicago Tribune, an administration journal, says: "The Red River and the New Orleans correspondent of the New York Herald shows that the about all of Southwestern Louisiane, has also been abandoned to the enemythat, in point of fact, the only Louisiana territory we actually hold now i
