These halls, however, were opened on Friday morning and attracted the attention of great Sanitary Fair The Old Curiosity Shop s indeed a great treasury of curiosities ancient and modern. Among a thousand other articles, Ry we noticed a conical-shaped steel-pointed cannon ball that had been captured at Fort Donaldson; a military trophy captured at Falling a large chain, the links of which were made out of one block of solid iron; an Indian pipe that belonged to the chief of the Creek Indians; swords that had been at different times present. ed to Brig. The Art Gallery is certainly not behind any of the departments for display. The Beauty of Albano, by Tagnano, is the leading picture in the entire Hall. Aurora is another excellent picture; Kittanning Point, a Landscape by Wall, one by Lawman, and one by A. Wall, are all rare and exceedingly well executed .-But every picture, portrait, sketch and land-scape there is good, and of course it would not do to particularize. They are all good paintings and while each has some especial peculiarity, the whole forms a Gallery of exquisite workmanship such as one seldom sees grouped together. The Art Gallery is not are numbered and catalogues will be printed Contributions are still coming in and the sides of the room are crowded with a great variety

of oil paintings and sketches. Floral Hall and the Bazaar maed completed. Indeed there is scarcely any room for anything more. The skating Pond is one of the most attractive and amusing sights

Am Merestrande.—The musical department of the Sanitary Fair will be opened on Monday next, by the German Societies of Pittsburgh, Allegheny and Birmiagham, some 30 or 30 in number, assisted by Mr. Toerge's and the Theatre orchestra and others, composed of some thirty instruments who will present Mr. Julius Otto's musical tableau entitled "On the Seashore," the whole to be under the direction of Frofescor Joseph Schwab, of Latrobe. There will be some twelve vocal pieces, consisting of a Hymn to the Ocean. Storm, Thanksgiving Hymn, March and Dance at the Village Fete. The music is excessively difficult, but it has been mastered by the diligence and zeal of the singers and instrumental performers, to the satisfaction of even critical taste. The whole affair reflects great credit on the enterprise and patriotism of the parties getting it up, and will, without doubt, render the most unbounded satisfaction. Tackets and textbooks, can be had at the Music Stores and Messrs. Backofen and sons; the price of the former is fixed at one dollar and that of the textbook, in German & English at 10 cents. Gentlemen are requested to procure their tackets before the evenings of the performance, so as to avoid confusion at the tacket office.
