with a view to prevent the misfortune of his re-election. Addresses were then made by D. G. Walker, of Vermont, Col. Freeman, a former pupil of General Fremont's, who spoke enthusiastically of the General's personal character, Mr. Stoppelbein, Mr. Backus and others, after which the cheers for Fremont and Cochrane.

The Baily Post.

PITTERNIRGH

FRIDAY MORNING, JUNE 17, 1864. VOLUNTEERING AND THE DRAFT. ding to the Post remarked:

We will assure our singularly astute whatever of the coming Presidential election. The Gazette's comments, how. ever, serve to show that party with it is uppermost in all its editorial labors.

Our simple object in our remarks alluded to upon the draft, was to demonstrate, what every one knows, that the day for volunteering in our army has gone; but we hope not for ever. As long as the country believed that the Administration bellion and restore the Union, there was more volunteering than the service rethe contest carried on for its legitimate purposes. But is it now notorious that the restoration of the Union is not the taken by Mr. Lincoln, the New York and pressing wants of the Government at Technologies. -purpose of the Administration? Are we : Tribune asks: and the last man must be called upon, and treat with deputations from any or any o very in the South? Has not the contest is envoys of an independent foreign lowing sad record of that place in CARRIAGE MANUFACTURERS look, there were three hundred inhabit been purposely protracted for this; and power?

This is decidedly rich, and the idea ants in the town. Of this number, thir ty have gone to the war, and since the condition of affairs which would secure doing it because it is forbidden or not doing anything or not doing anything or not doing it because it is forbidden or not doing it because it is forbidden or not doing it because if it is forbidden or not doing it because it is forbidden or consideration, even now, made subser the country.

will produce a smile of derision an over the country.

will produce a smile of derision an over the country the country.

Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "Will the Tribune inform us "what parents and two children having died: "W and during the past two years, did not the Administration compol Gen. Graet not to follow McClellan's plan of campaign against Richmond, until the exigencies of his situation compelled him to do so. For two long years the powers at Washington have been laboring to destroy McClel.

Lan's military reputation, a performance which has lost the countil the additional and the past two years and only deformance which has lost the countil the control of the population has lost the countil the population as state to control the other one-tenth of the population has died in the short space of seven months. Port of the countil two materials are serving in the array sent of point the short space of seven months. Port of the followards of the population has died in the short space of seven months. Port of the followards of the population has died in the short space of seven months. Port of the followards of the population has died in the short space of seven months. Port of the followards of the population has died in the short space of seven months. Port of the followards of the population has died in the short space of seven months. Port of the followards of the population has died in the short space of seven months. Port of the followards of the followards of the population has died in the short space of seven months. Port of the followards of the fo formance which has lost the counting the Federal Constitution try one hundred thousand lives.

These facts are notorious, known to i every one who watches and readIs it, therefore, at all strange that volunteering has ceased? As long as the
war was for the Union, the people rush
ed to the contest: now that fanaticism has wrested it from its proper purpose, Philadelphia on the 2d inst., "a large quanhave no idea of doing anything of the lowners were "copperheads" sort. They are entirely willing to see the north filled with the wailing and lamentation of widows and orphans, made so by husbands and fathers slaugh.

Sometimes were copperneaus copperations to the north filled with the wailing and months ago and consigned to Fort Lafay ette on a charge of affording aid and considered to the rebels, has been discharged. The evidence was the insufficent tion vengeance, yet they take precious care not to participate in the sacrifice. We are impressed with what our neighbor seems to dread, that frequent drafts for the purposes enumerated may have a control of the purpose of t tered to oblige the fell spirit of Aboli. to warrant detention "tendency" to make the Administration not only unpopular but absolutely in famous. And so they ought.

THE ARMY NEWS.

The most important news says the bility of the speedy legalizing of any spe-World of Tuesday, from our armies in Virginia is that which announces the success of General Sheridan's raid. It appears that he has pursued a northwesterly course and, it is rumored, has arrived at Gordonsville on his way to join General Hunter. When, these complete that he has lost none of his fellow Senators a certificate to the effect that he has lost none of his political influence in that body by the recent of the product of the sum of the call influence in that body by the recent of the call influence in that body is a call influence in that body is a call influence in the call influence in that body is a call

THE BALL OPENED It will be seen by the proceedings of FREMONT meeting, held in New York ity on Monday evening, and published n to-day's Post, that the friends of the Pathfinder are in a glow of enthusiasm over their candidate. There is a sort of over their candidate. There is a sort of romantic grandeur about Fremont that drawing a greater portion of the men from their begittinate business, and forcing the field not the tented, but the agriculture of them. But how surprised I was, when I found the stores all full of goods, with nothing to sell in the rest of them.
