DR. GEO. H. KEYSER :- I became afficted with Piles about twenty years ago, and every year they were growing worse, so as to trouble me very much, so much so at times as to unfit me or work. Sometimes I was so bad that I could not do anything on account of them, they came out on me as large as a hickory nut. I had tried a great deal of medicine for them. I used to buy
and take whatever Legald bear of whatever Legald bear of white was a superior of the superior and take whatever I could hear of or read of in direilars and pamphlets that fell kin my way, but I could not get cured, sometimes they would do me some good for a little while, but afterwards they would return again as bad as ever. I also applied to two Doctors who visited me at my house and gave me some medicine but it would not do, I could not get well. Over a year ago got an advertisement of your Lindsay's Blood-Searcher, made by yourself—when you sold it to me you told me one bottle would not cure me, and that my whole system would have to be reasewed by the medicine before I got well. I bought one bottle and took it home with me and used it according to your directions. I thought a great is sured. Brown is the control of the medicine before I got well. After this quantity had been used, 1 WOULD CALL THE ATTENTION of burers to his stock of Goods, which was entirely well of the Piles, which had tortured me for twenty years.
