Its arrogance and insolence were tolerated to retary of War, announced that Grant retary of War, announced that Grant stituting servile insurrections, under the gale on Sunday evening last.

an aggravated case levying black mail.

Scarcely have they received a hearing, and the countenances of the two immaculate "stars" disappeared from the precincts of the Police Court, ere another, an aged veteran, makes his appearance in the arena. He likewise, was surprised at the opening of what appearently intended to be a vigorous campaign.

Webb, however, had commenced operations in a different field—one perhaps more dangerous and difficult—instihaps more dangerous and difficult—instigated, undoubtedly by the same spirit that leads the experienced soldier to prefer rather the arduous and perilous duties of active service to the comparative security of the fortification. But Webb fell a victim to his ill-timed bevery and draft may prove effective in a continuation of the three hundred dollar commutation, in order that the coming, sweeping for us by the patriots of 1776.

fell a victim to his ill-timed bravery, and draft may prove effective in getting solwe exceedingly doubt whether the pres- diers? We feel some interest in this, tige of office will overcome and counter- and hence our anxiety for the Dispatch balance the revelations of that unlucky carpet bag with its counterfeit postal currency and its package of altered bills.

In Washington, we see by a late distinction of the last man," to say why is it, that the last man, to say why is it, that the last man, and the last man, to say why is it, that the last man, and the last man, and the last man, and the last man are larger to the last man are larger to the last man are larger to the last minimum and hence our anxiety for the Dispatch, or some other "loyal" paper, that is in a skirmishing and artillery duels; but no engagement affecting the general Sheridan has occurred. General Sheridan has occurred. patch, this detective nuisance has there been placed under becoming restraint beautiful patch, this detective nuisance has there been placed under becoming restraint in rior of the electronary mode and across the James, with all his immense

Small but Characteristic.

CHASE'S GOLD BILL.

The Round Table remarks that:

the "dodges" of these immaculate officials, who have arrogated to themselves the title of "Government" detectives.

the title of "Government" detectives, are decidedly below par, or in other words, about "played out." Hereafter something more will be necessary to cover their guilty actions and disarm suspicion beside a star, even though it be double plated and bear engraved the words. "Wet Blanket.

The nomination of Lincoln is everywhere a wet blanket to the hopes and enthusiasm of the rank and file of the Abolition party. The three years trial of him makes the people almost shudder at the thought of seeing him at the head of affairs for another term. In other States, the failure to respond States, the failure to respond to the nomination (outside the office-holders' ring) is observed as is marked here. The nomination falls lity, in not believing the War Depart.

Lincoln fell like a wet 'blanket on the few seething Abolitionists of Detroit. Vice a gallant officer like Lieut. EDGER. tured the few troops left to guard the They acted as though they were heartily TON of New Hampshire, because of his road.

The intelligence of the nomination of Lincoln at Baltimore fell dead upon the public sense of this city; the attempt at ratification meeting last evening was a sound financial journal remarks as folstill more mortifying failure. It was indeed a most signal failure. The meeting was held in the open air, but the people bill:

The Abolitionisis prate of love for the Union is all moonshine; their principal organ began, over three years ago, prov-

ing the right of the South to secede if the people there desired it; and less than six months ago, it spoke again in this

If three months more of earnest fighting shall not serveto make a serious impression on the rebels—if the end of that term shall find us no further advanced than its begining—if some malignant fate has decreed that the blood and treasure of the nation shall ever be squandered in fruitless efforts, let us bow to our destiny, and make the best The Dissolution of the Union Pre-

erv. In the debate in the House at Washington on Saturday, on the question of the list, it is a storishing to witness its zeal the dissolution of the Union rather than to credit the Mem r. al Diplomatique, has ading the government, "Weed in defending every act and suggestion of the existence of slavery. In this utterspectable society abroad; and yet he wasse-lected just at that time by Mr. Seward." our neighbor was desirous of supplant ing the Harrisburg Telegraph in the affections of Abolitionists, generally; and in power of this government to either externions of Abolitionists, generally; and in power of this government to either externions. Nothing daunted by this terminate slavery or dissolve the Union. respectability, and of my relations and probable of my relations and proba credit of having "selected" me. The basest falsehoods. For instance, in its government, it was avowed that the only without submitting the question to object of the war was to restore the Union, without interfering with the ward Everett, the Hon. Mr Konnedy, and deadly assaults, upon the Post in rights of any States in rebellion. Lest, of the war was to restore the Union, without interfering with the rights of any States in rebellion. Lest, of the war was to restore the Union, without interfering with the rights of any States in rebellion. Lest, of the war was to restore the Union, without interfering with the rights of any States in rebellion. Lest, of the war was to restore the Union, without interfering with the rights of any States in rebellion.

but in other places, the 'leaky' proceedings indulged in by some of these officials, and by individuals purporting to be such, has served to place the farternity in rather an obnoxious light. Instances might, indeed, be multiplied, where members of the profession have been detected practising file most nefarsured to most nefarsured been detected practising file most nefarsured the many yet experientations and inexpression and inexpression and inexpression and inexpression to grant thousand reinforcements dition of united hostility to the North, thereafter there could be no compromise; wind. The sal boats held up for a motivation of the war would continue until slavery should be exterminated, or the very should be exterminated of them were used. Don't forget the place. Next door to the Ex-LINNET'S TRIAL

By S. M. Authoress of "Twice Loar," Uniform with "Pique. 1 vol. 12 mo. Cloth. Price, \$1.50.

FYOU WANT A BOOK THAT IS real—if you need a book that is earnest and satisfying—a true book, not filled with depery and deception, take "LINNET'S TRIAL" nome, to read it alike with eyes and heart.

"Strip off the shell of the story, and cenfess a genuine admiration for the steadfast soul of the writer, loyally, striving to atrengthen weak hands and revive the courage in weary, overburthened hearts.

"There is less exciting incident in "LINNET'S TRIAL," than "TWICK LOST," but for truthful studies of character, from the charming rustic Rose, to the tinished perfect wife Leouora, including the very Loglish and selfish Brandon with Vere, who is not quite faultiess as a heroywe may say this book is the best attempt of the Authoreas, which is quite recommedation enough for those who have been so fortunate as to have read "Twick Lost,"

The London Reader says of it: "No one will be disappointed with this charming tale of home life and home affections. It is written with rare beauty of style—aharp and signant. ing tale of home life and home affections. It is written with rare beauty of style—sharp and piquant.

"The story is divided into 3 parts: "Before the Wedding;" "Before the Trial;" How it was Borne." The characters are various and well drawn.

Brandon, with his agreeable self-concet, his pleasant and affectionate ways, good sense and gay temper, is well fitted, with the aid of Rose, to sustain the light comedy of the story. Then for the sensational element, or deeper interest of the book, turn to Capt. Vere Forests, and his sweet bird of song—his beautiful Linnet. She so expansive and sympathetic, he so reserved and self-contained; she so impulsive, he so resolute; she so gay and royal in temporment, he so proud and solitary, but cherishing in secret a world of tender and romantic reverence for the women he loved.

'Shortly after their marriage, the war breaks out out in India, and Vere's regiment is selected there. Linnets trial has now come. How her trust and faith are tried and not found wanting. Vere sells out, and returns to her with his honor sullied by a mystery, which he will not clear away, condemned by the whole world except his true and faithful wife. Her sweet influence is the wondrous charm of the whole book. Linnet is like an alabaster vase, only seen to perfection when lighted up from within."
