Three years, of unparalleled catnage and death, with the exultant invading rebels thundering at the very portals of our National capital, have failed to im-press the Administration and its leading tollowers with the magnitude of the the buffbonery and idle chat indulgedi the buffbonery and idle chat indulgedi by Mr. Lincoln, is heavy with the war."

odor of blood, are becoming infectious, At Antietam, two years ago, where many a brave fellow gave up the ghost, Mr. LINCOLN, in a hilarious strain, as if to mock the solemn scene before him, by a veteran soldier named McRoberts, belonging to the 10th Iowa Infantry. called upon the drunken Marshal of the District of Columbia to sing for him a short distance in advance of McRobnegro ditty. What was NERO's fiddling while Rome was burning, compared to to stor, the which the latter with most to stop, to which the latter paid no at-tention, whereupon the soldier drew a this guilty and disgusting frivolity? In keeping with this sickening and revolver and fired at the negro, the ball unfeeling conduct upon the part of a passing through his head, killing him instantly. The soldiers were both in-toxicated at the time of the commission person occupying the position of Presi dent of over twenty millions of people, was yesterday's Pittsburgh Gazette. It, learn, was John Brown. McRoberts was also, fails to be properly impressed with the solemnity and magnitude of the oc-casiou; and advertises for "a great victo-casiou; and advertises for "a great victo-ing. The result of the Coroner's inry" as flippantly as any other mounte- quest has not transpired at this writing. bank placards his show-bills. In yes- |- Iowa Statesman. terday's issue, under the familiar cap- SHIPWRECKED .- Mr. George Richard tion of "wanted," and after informing son received a letter yesterday from his

its readers, that the people, notwith-standing the threatening condition of the shipwrck of the U.S. storeship Cour-standing the threatening condition of the shipwrck of the U.S. storeship Cour-way lewelry stores, encounting to the set of the set being received. It appears that standing the threatening condition of the times, have learned to be philosophi, cal," it indulges in the following maud-lin imitation of Mr. LINCOLN'S peculiar sbip. All were saved. They were on style of rhetoric. It says:

style of rhetoric. It says: They feel that, if the war should not end this year, it may last for many years to come. They feel that the longer the war lasts, the greater the danger, of an open outbreak with England and Fraine, whose sympathles the Nouth has all along processed. They feel that, if the war, does last Throw or three years longer, our finances will be first state of partial, if not younglete collapse. "Amount they feel that, if the war shall not end soon, the industrial interests of the country will be paralized by further trafis for men, and that, by reason of high prices, there will be in thousands of homes a real searcity of the necessaries of life. All this the people wish to see avoided. A great victory over LKE or JOUNSTON would enable them to pass these breakers in asfers and to see the layen of all their hopes this year. Therefore, Wanted-a Great Victory! The neone !!feeling" all this must be The Three Graces of Shoddy.

The people "feeling" all this must be tween the "order of their going" and get bread to eat, in these war times?

The people "feeling" all this must of the worder of their going and model christians indeed, to be "philoso-phical;" but our only object is to direct sent because of their political opinions, attention to the trifling manner in which our neighbor advertises for "a great to line the Government. The former are sent because of their political for worder of the subdued by the force of hrms. Two years ago last January the New York Tribune said that if the rebellion motive was literally torn to picces. The sent because of the victory." Our neighbor appears to ling the Government. .....

The man who is most persistenly urg ing the repeal of the \$300 commutation clause in the conscription set, is Abra-ham Lincoln. Let the working men made graves of the heroic dead. When this story was told us we said that it was who are appealed to, to vote for Lincoln incredible, impossible, but the story is ' told on such authority that we know it whiskey still, forget that this working to be true. We tell the story that the man is trying to shape the draft so that people may have some idea of this man, Abraham Lincoln, who is a candidate army, no matter what may be the conpeople may have some idea of this man, for four years more of such rule. If any Republican holds up his hands in horror, and says this story can't be true, we have sympathise with him from the bottom of up to an exorbitant figure, and make the our soul; the story can't be true of any man fit for any office or trust, or even for decent society; but the story is every whit true of Abraham Lincoln, incredible and impossible as it may seem -Essex Statesman.

## Mrs. Lincoln.

From the Mansfield Ohio Spirit of Democracy. It is stated that Mrs. Lincoln, during ther recent visit to New York with her

ear-rings and pin at one of the Broad-way Jewelry stores, amounting to three thousand dollars.—*Exchange.* It is not very long since Mrs. Lincoln bought a shawt for five thousand dollars. Five and three are eight thousand dollars. Durn for iewelry and a shawl, very triffes w procure a vessel for removing the compared withall necessary articles that crew. Unfortunately, the one obtained must be bought in a year, but taking a developed yellow fever on board, and large slice off Mr. Lincoln's salary of their passage to New York was perilous interview thousand a year. Living et the theorem of the state of the stat in consequence. They are now aboard the hospital ship at Sandy Hook. does not suffice for Mr. Lincoln's yearly | mitted suicide. expenses.
