PITTSBURGH: TUESDAY MORNING, JULY 26, 1864.

Every day's experience goes to demonstrate the truth of Dr. BROWNSON'S absurdity. Says this KIRK: bbservation, regarding Mr. Lincoln's exceeding cunning and duplicity; he is singularly gifted with both, and is, therefore, well qualified to be the leader of a party, the great bulk of which rely upon are fighting for independence, and that or extermination we will have." falsehood, pretension and hypocracy for its continuance in power. The obscene DAVIS in the country, never considered

him from the rebel authorities, and when sidered. Here was another exhibition of his cunning and duplicity. No propositions for peace had reached him, he said, and why? simply because he would

tempt to reach Washington to negotiate having failed, the next resort, in order of the parties. At this stage of the proceedings cunning ABE took a whole

The reader will at once see that this demand was intended to put a stop to all further correspondence. There is tendently with which the approach to the contest with a proach to the correspondence. There is the correspondence to the correspon The reader will at once see that this but one power, on earth, which "can Atlanta has been disputed shows, how of the rebel armies," and that is the ever, what its importance is to the rebels, and its possession by our troops will of land so high that they could reap a land to the responsition.

There is tenacity with which "can Atlanta has been disputed shows, how his itself, in order to induce immigration, and by that means raise the prices.

From the fact that Johnston left these whose term of service has expired, so that our strength is increasing every day. Many of the Hundred days' men its increasing every day. Many of the Hundred days' may be the control of them with avail the demand, therefore, simply means that if the rebel Government will disband its armies, and rob its people by freeing utive Government of the United States." that no draft will be necessary. tionary styles it the Executive Govern-

ment of the United States. "Honest ABB's" craft seems to have as he did Vice President STEPHENS. Having entered into a correspondence "who would be free, themselves must been perverted into one for the emancipation of a people unfitted to be free; and those who have been entirely instrumental in producing the change, cannot
