LOYAL CONDUCT OF AN EX-REBEL. - Mode du In Charlton county, Mo, there is a German settlement which was threatened Josept orrman settlement which was threatened with extermination by guerrillas. The people sollicited Col. Edwin Price, son of Gen. Price, who has served in the Reb-el army with his father, but who had abandoned the Rebel cause two years ago, to lead them in their defense. He con-sented, 'organized them, and the gurrillas concluded to let the Gammers elses

which were measure in the second addining that the second adding the second to second the second to the second th tect her from rebel invasion. Our Gov-ernor panic-stricken, calls for thirty thousand he communicates his fears to the people; and thus from the man who rule over us to the masses who are gov-

A NEW machine has been invented for Spark,) captured by the Florida, printing cartes de visite. It prints by a new process, without ink, and without new process, without ins, and without pressing or dyeing. It requires no special knowledge or material strength; a child can work the machine with ease. The portrait always remain clear and distinct, and the price of the cartes is a little more than the set. than that of pasteboard, as the machine loes away with the cost of workmanship. "And what is that?" asked the toddy The speed with which the machine can be worked is prodigious, throwing off no fewer than one hundred per minute, with

the clearness of lithographic impressions. The name of the inventor is M. Leboyer,

A toba scheming that siny reters from the "Treasdent, addressed "to whom it may concern," we will soon see the people reassined" and reinylograted, ready and willing to risk where competent men are "disposed to jeed them. "The success of the 7:30 loan is report-bill to tail, from his door to yourn. Now I know my time, and an' I'm just see good for myself as for a hoss, and bet-ier for that than ary man you ever did see the people the for that than ary man you ever did see the people the same ary will and the same to the inventor is M. Leboyer, which he swore his life was a mile long. Well, publican; I walked that rait from bill to tail, from his door to yourn. Now I know my time, and an' I'm just see good for myself as for a hoss, and bet-ier for that than ary man you ever did see the people twanty minutes on a good road, and I to hanself millions of being a rebel emiliary. "The success of the 7:30 loan is report-days the total of receipts amounted to for that loan were considerably over one million dollars per day, and that for four days the total of receipts amounted to for millions eight hundred and seventy-ing here stepping drift doe miles of miles door ing here stepping drift, the sevent is that?"

THE DEATH OF MR. MALLORY. --Some the of Westein papers have a report that Robt. S. Mallory, member of Congress from Kentucky, has been murdered by a soldier The report undoubledly arose from the fact that Gibson Mallory, a member of the Kentucky Legislature, was shot dead a few days ago on the pub-lic highway, by a Federal soldier. DISASTERS REPORTED IN JULY. --The number of American mercantile sea craft reported during July as total losses amounted to 22 namely 4 steamers, 2 ships, 7 barks, 1 brig and 8 schooners. Of these 10 were wrecked, 8 burnt, (7 of them by the Florida,) 2 floundered, 1 run down, and 1 (steamer Electric

OLD CLASS MATES .--- It is a remarkable fact that the contest before Atlanta lact that the contest before Atlanta brought together three old class makes from West Point. General Hood, Major General McPherson and Brigadier Gen-eral Schofield were old "chums," being MEXICAN MUSTANG LINI-MENT.-The parties in St. Louis and Oincinnati who have been counterfeiting the Mustang Liniment under pretence of proprietor-ahip have been thoroughly estoped by the Courta To guard against the further imposition. I have prosured from the United States Treasury, a pr.-trate stcel-plate revenue stamp, which is play ed over the top of each bottle. Each atamp bears the facticle is a counterfeit, dangerous and worth-less imitation. Examine every bottle: This Lin inent has been in use and growing in favor for many years. There hardly exists a hamler on the habitable globe that does not contain err-dence of its wonderful effects. It is the best emcilient in the world. With its present im-proved ingredients, its effects upbn man and beast are perfectly remarkable. Sores size heas et, pains relieved, lives sayed, valuable, a Sover-pruse, aprains, neumation, swellings, bites, oaked breast, strained hores, &c., it is Sover eign remedy that should never be dispensed. with. If should be in every family. Bold by all druggists. D. S. BARNES, New Take room-mates during the last year of their cadet-life. McPherson and Hood were particular friends, yet one fell by the

hand of the other. A STRIKE for higher wages took place on the Adirondack Company's Railroad, and is represented as being much more formidable than was at first anticipated.
