IS GRANT A FAILURE.

The National Intelligencer of Saturday sun, idling lazily away, a disgrace and last gives an exhaustive resume of Gen. GRANT'S recent Virginia campaign. The conclusion it arrived at a shore to a onne proud country. And will this cowardly sentence be carried into execution? Is this the way to re-The conclusion it arrived at seems to be:

- i. That the plan of the campaign was a mis-take: General GTANT having either over-estigood old days of yore. take; General Granr having either over-esti-mated his own power of aggression or under-estimated LEE spower of defense. 2. That every movement of the campaign was unsuccessful, the only exception being the cap-ture of a rebel division on the Po. 3. That very little strategical skill was display-ed in any of the engagements, which consisted simply of pushing masses of me against strong works, before which they were uselessly alanghtered.

4. That safter losing immense numbers of val-nable lives, as well as trained officers, no advan-tage has been gained, and the campaign against Richmond is a failure. We agree with the World when it says the Hon. the Secretary of the Navy and for which we hope for an impartial hear-

that the Intelligencer has a right to its opinion, but we think that it does not ing. In conclusion we would ask Ad-miral Dahlgren, if within the icy circle make allowance for Mr. LINCOLN's in-fluence upon, the campaign. General GRANT was successful at Vicksburg when he did not follow Mr. LINCOLN'S not to go oy unnoticed. advice, as the latter acknowledged in a Captain Phythian commanding and McDonough, has taken steps to repreletter, and his failure in Virginia is unletter, and his failure in virginia is un-doubtedly due to his adoption of Mr. LINCOLN's wish for an overland cam-

paign. To this circumstance and to his confidence in his worth for honor, truth repeated denials of General GBANT's re-quest in regard to changes, among his subordinate Generals, can be traced all

the disasters in Virginia. There seems to be a curse upon everything Mr. LIN-

COLN meddles with in a military way.

The citizens of Harrisburg, including goint meddles with in a military way. South meddles with in a military way. Bonford, provost marshal general of Pennsylvania, and appointed, Capt. Dodge, mustering and disbursing officer of that State to fill the vacancy.

tion, and they are ready to make that war to day. The Democracy were in favor then of preserving and perpetu-ating the Union by a peaceful and con-Tyre Cumberland realize them. alling the child by a peaceful and color ciliatory policy, if that policy would do it, and they are ready to do the same thing to day. There can, therefore, be no misunderstanding as to the real po-to misundersta no misunderstanding as to the real po-sition of the Democratic party. It stands to day where it stood four years ago, and where it always stood. Time has only served to confirm the wisilom, justice, and practicability of the princi-ples and policy of the Democratic party. If that party shall be restored to power, we shall yet have the old Union and have peace once more. The patriotic old Constitution, and with them shall and an ages, now are quartered in the have peace once more. The patriotic Pennsylvania railroad depot, crowd-masses begin to understand and appre-ciate this great truth, and in the Pres-tidential election this fall they will act accordingly." There is sound sense in the above, and all who are really anxious to put an end to the present wretched Administration can find a platform who which all the sense of the depot, to the great annoyance accordingly." can find a platform upon which all who of travelers and inconvenience of the love their country can stand. Said Sen-railroad company. How these people love their country can stand. Said Sen-ator Richardson, of Illinois, a few days before the adjournment of the Senate: I tell the Senators and I tell öther gen- that many of them will find their way to tlemen, that, as soon as we place a President in the White House on the the 4th of March next, we shall receive whatever propositions the people of the South send to us, we shall make to them the proposition of coming back to their duty to the old Constitution and to the old Union as our fathers made it, and,

if they will not come back we will enforce it against them."

Naval Recruiting

The difficulty experienced in providand ing sufficient men for the navy at the be-ginning of the augmentation of our fleets is rapidly dying out, and sailors, though not yet so abundant as soldiers, in comparison with the respective needs, are becoming more abundant. The amount of prize money realized, some times amounting to thousands of dol-lars for a single capture, has its efficacy. Better ships effect much. A life which is project then compared by the single capture is a single capture. This more abundant is a single capture is a single capture is a single capture. This more abundant is a single capture is a single capture. This more abundant is a single capture is a single capture. This more abundant is a single capture is a single capture. As soo as the organizatian is complete, it shall be eare fully inspected and mustered by the Unite States Mustering officer, who will see that a least the mininum number of each campany i present; no absentees will becointed. IV. Until regiments or independent companies are organized and mustered in, they will b under the control of the Government of th State, but all requisitions for quartermaster medical and ordnance stores, vall contracts. If fuel, straw and subsistence, and all requisition for transportation, must be approved by th Superintendent of Volunteer Recruiting Sec vices for the State ordivision. Superintendent of voluments in vice for the State or division. V. No. accounts for expenses incurred in V. No. accounts for expenses they dis-

hereby reasolided, and the following orders will govern hereafter, in lieu thereof: I. In organizing new regiments or indepen-dent companies of volunteers, the Governors of States are hereby authorized to appoint, in addition to the staffofficers heretofore authoriz-ed, one Second Lieutenant for each company, who shall be conditionally mustered into ser-vice at the date of his appointment. Any officer inus appointed and mustered, shall only be en-titled to be paid on the muster and pay roll of his company, and should he fail to enlist an organized company within such time as the War Department may designate, the men enlisted. by him shall be transferred to some other company, in a spointment shall be canceled

The annexed order is published for general

Department may designate, the men enlisted by him shall be transferred to some other company; his appointment shall be canceled and he shall be discharged without pay, unless the Governor give him a position in the consoli-dated company to which his men shall have been transferred. II. Mustering officers will report promptly to the Adjutant General of the army the name of every kceruiting Lieutenant mustered into the service by them, under a conditional letter of appointment, together with the company and regiment for which he is recruiting. Officers will be mustered into the service only on the authority of the Governor of the State to which their regiments belong. If a Articles of enlistment will be made out in duplicate by such recruiting officers, and will be disposed of as provided by paragraph 16, page 30, Recruiting Regulations, Volunteer Service. Recruiting Regulations, Volunteer Service. Recruiting Berniet, or other Sergeon employ-ed for that purpose by the Superintendent Vol-unter Recruiting Service, and if found unfit for duty by reason of perhament dischirty, will be disposed of the Recruit for Micharger to the Superintendent Volunteer Recruiting Service, and also to the Adjutant of the regiment, notro-ing particularly thosecases where the disability wis obvious at the time of enlistment, as soon as Leo organizatian is complete, it shall be care-fully inspected and mustered by the United
