A Guilty Husband .-- A case was brought before Mayor Lowry recently, which has been very unusual within the limits of our city, and Ju5-Ivd in which a man named Peter Wilbur is charged with the greatest breach of infidelity towards his wife. We heard the particulars in referonce to the charge from the lady herself, who made her statements with such candor and fidelity, that we have no apparent reason to ert them. It appears that having to attend personally to a legacy which was left

her in Germany, her native country, she left the United States some time ago on that business, and having settled it, returned to her adopted country in possession of several thousa and dollars in gold. But her happiness was marred not a little when she was informed of the infidelity of her husband in her absence, and that he had taken to himself another for payable in lawful money. his paramour. This, of course, aroused her indignation, and a rather stormy time followed her arrival. But having ascertained a few days ago, that her husband and his paramour were

GUERRILLA DEPREDATIONS.

LOUISVILLE, Aug. 11 .-- The remains of Gen. Greathouse, recently Colonel of 48th Ills., passed here for home this evening.

About daylight yesterday 20 guerrillas, under Dupaster, entered the town of Brandenburg, Ky., and were driven out by five home guards, armed with double-barreled shot-guns. The guerrillas then sent a note demanding an immediate surrender of the town. The home gnards refused to comply, but prepared to defend the town. As the mail-boat passed up the river about sunset, firing was heard, and it is supposed an engagement was progressing.

A New Company.-A new military cor pany is now being for med among the members of the Pittaburgh gymnastical Association. Although none but members of the Association are sllowed to join, the company will soon be completed. At an informed meeting held on Wednesday evening not less than forty of the nbers enrolled their names. The next meeting will be held on Saturday, when no doubt the organization will be completed. This company will be entirely independent from any ward or borough and the members of the association intend to fill it themselves exclusively.

The Turf .- The great pacing match between the Pittsburgh horse "McGousler" and the Ohio nag "John C. Heensa" for one thoussand dollars came off on Tuesday in Cleveland. The Pittsburgh horse came out victortorious in three successive heats in 2:40, 2:38, and 2:37. The bettings were high on "McGousler" and the odds were in some instances great as \$100, to 20. It cannot be denied that we have an admirable knack of gaining the victory over all our opponents, and we succeed so well in whatever we undertake that we can beat "all creation."

Boy Kidnapped.-Yesterday a young child, only two years old, named John Smith, was kidnapped by some unknown man, while playing at the hydrant near his father's house. The stranger took the child up in his arms, claiming him as his own, and crossed the bridge over into our city. Another little boy who was present, and witnessed the kidnapping of his companion immediately informed the parents o the child, who accordingly notified the police. A diligent inquiry is now being made, and no

doubt the child will be recovered. We have been called on to announce that Thos. J. Keenan esq., will address the Democratic Club this evening, at the Democratic Club Hall on Fifth street. All those who wish to obtain a knowledge of Democratic principles exposed by a gentleman of eminent merit and remarkable eloquence, are invited to attend. Owing to the established popularity of this gentleman as an accomplished speaker, we doubt not that he will be favored with a large attendance.

Pic-Nic .- The pic-nic of the Ladies Sodality connected with St. Bridgets church came off yesterday with unusual eclat. Only those who were invited were permitted to attend, and concequently, the day passed off merrily among select party of friends and acquaintances. The wer which fell in the afternoon inerrupted the amusements for a while, but after it was over the unusements were renewed with dditional vigor.

From the present indications, those who wish to seture any of these toloce Lots at Brad-dock's Fields, would to well to attend the sale of Lots by Mcliwaine, to come off on Monday 16th, se they will most likely all be sold on that day.
