med any farther, and at present they have lost all hopes of finding her out. It is reported that she has left the city, and consequently she is out of all danger, at least for the present.

appears that the hundred days men of some of our Western States have not fared well since their departure. The Ohio papers lament having accounts of a great deal of sickness among their men, who, they say, were assigned to bear the very heat and burden of the day. They also report that many were brought home dead, and

and two hundred and thirty-four are now in hospitals near Washington. This is hard on one regiment, but all the others were exposed to th same hardships. As far as we have ascertained

whom we sent out for the emergency have re-turned home, and are in good health. The Negley scouts appear in better condition, than when ey went out, and acouting is very laborious. We must infer from this that the young men from our State are more capable of bearing the

Meeting in the Second Ward .-- A meeting was held in the Second Ward last evening at the Duquesne engine house, for the purpose of raising the necessary funds to pay all boun ties, and thereby averting the draft from that precinct. At the meeting held on Saturday ev ning the citizens succeeded wonderfully in this respect, and raised money, it is said to the amount of one thousand dollars. The measure adopted by the school board for raising fund was also a complète success, and it is announced that not less than thirty thousand dollars was raised by that means. This will certainly avert the draft from the ward provided that the cn
