PITTSBURGH: WEDNESDAY MORNING, AUGUST 17, 1:61. GEN. MCCLELLAN.

case since the monster demonstration the other evening, in New York. The Tribune, the ablest of the radical press, tormented itself for several days to mountebank as he is.

The demonstration and demonstration lated to impress even Abolitionsts, to say nothing of Copperheads, with the solution will resign ourselves either to anarchy, or submit to imperialism at once. These are not mere figures of speech, projected upon the public car by factious opposition, but the settled sentiment of scores of that demonstration

following is a specimen; it says:

"But no candle McClellan it and McClell

election in November.

In special country sinks, and that his fortunes rise as the country sinks, and that his chances would be brightened by his country's ruin.

This plausible enough, but it will not damage McClellan in the estimation of any one who will take the trouble to sift it. If, after the Administration had sift it. If, after the Administration had sift it. If, after the Administration had then began its down ward flight till it struck full on the little black spot at which it was aimed, and then ricocheting on, bound after bound, till its course was lost in a long thick only persons who do not understand his immediate counsellors, are probably the only persons who do not understand his whipped Legat Antietam) his successor had done as well, he would of course rounds were fired at this elevation to whipped Lee at Antietam) his successor had done as well, he would of course have been partially forgotten. But look at the facts. From the day of McClellan's dismissal, because he was "too slow," until the present what has been our condition? Continued slaughter and conscriptions. It is not, therefore, Lee's atracey and victories which make Mc Clellan strong, but our Administrations of the country discharged at proof and againstiron targets, made a total of 74 shots. The guns showed signs of wear. There seems that has been only persons who do not understand his true political prospects and position; or who are not penetrated with asense of the impending danger to the country. But it should be the duty of the last named spontaneous convention to instruct him in these matters. We do not understand his true political prospects and position; or who are not penetrated with asense of the impending danger to the country. But it should be the duty of the last named spontaneous convention to instruct him in these matters. We do not understand his true political prospects and position; or who are not penetrated with asense of the impending danger to the country. But it should be the duty of the last named spontaneous convention to instruct him in these matters. We do not true political prospects and position; or who are not penetrated with asense of the impending danger to the country. But it should be the duty of the last named spontaneous convention should assume an attitude of menace. It should assume an attitude of menace at the desired to enter the army as a voluntary by the surgeon,

reclamation of incorrigible girls; it furishes the following incident going to prove the correctness of its views: prove the correctness of its views:

"On Saturday morning a girl aged about sixteen years was taken before the Mayor of this city, charged with incorrigibility and threatening the life of her mother. The girl said to the Mayor: "Mayor I am a bad girl; I know I am bad, and what is more I intend to remain bad. It does me good to be oad. I like it, and if I live for eighty years I'll be bed still. You can do what you like with me. It won't change me abit. You can't make me better, for I am determined to be bad as long as I live." It appears that this subject has already been in the House of Refuge for a while, but without having experienced any change in her manners."

This is but illustrative of which is no

This is but illustrative of what is notorious in all the great cities of the we are wrong, and hard to admit that we Union, and Pittsburgh, we regret to say, were mistaken, if we were even honest is at present reconed among the worst. in our intentions.
