PILES OF

TWENTY YEARS STANDING

CURED.

Below will be found a certificate from the one of most respectable citizens of Wilkins township in regard to Dr. Keyser's Lindsay's Blood Searcher. The Doctor's certificates are within reach, and no one need be deceived in regard to his preparations.

DR. GEO. H. KEYSER:—I became afflicted with Piles about twenty years ago, and every year they were growing worse, so as to trouble me very much, so much so at times as to unfit me for work. Sometimes I was so bad that I could do nothing account of them, they came on out on me as large as a hickory nut. I had tried a great deal of medicine for them. I used to buy and take whatever I could hear of or read of in circulars and pamphlets that fell in my way, but I could not get cured, sometimes they would do me some good for a little while, but afterwards they would return again as bad as ever. I also applied to two Doctors who visited me at my house and gave me some medicine but it would not do, I could not get well. Over a year ago not an advertisement of *your* Lindsay's Blood-Searcher, made by yourself—when you sold it to me you told me one bottle would not cure me, and that my whole system would have to be renewed by the medicine before I got well. I bought one bottle and took it home with me and used it according to your directions. I then called to see you again, when you said I could n expect much benefit from one bottle. I bought it on, one bottle at a time, until I ha bottles. After this quantity had been used, I was entirely well of the Piles, which had tortured me for twenty years. In other respects my health is improved, and I am as well as could be expected for one of my age, being sixty years past. I have been well now for six months, and there is noappearance of a return of the disease. I can do any kind of farming work now without the Piles coming down and hurting me. I can pitch, hay, chop wood, lift, or do any kind of work which before used to hurt me. When I found out your Blood-Searcher I kept on taking it until I got entirely well. I consider it my duty to make my case known to the country for the benefit of others who may be suffering as I was and do not know the value of your medicine. You may publish this if you like—I live in *Wilkins Township*, and will be pleased to satisfy any one of the truth of this certificate if they wish to call

December 24th, 1863.

Be sure and look out the name of DR. GEORGE H. KEYSER on the cover of the bottle and pasted over the cork; also for his stamp on the United States stamp on the top of the bottle to prevent being imposed upon.

On receipt of ten cents it will be sent post paid in a sealed envelope, to all who apply for it. It contains a concise description of all the diseases incident to females, together with means of cure, and treats of *Conception, Pregnancy, Miscarriage Sterility, Sexual Abuses, Prolapsus, Ulcers, Female Weakness, Consumption, &c.*, and much other valuable information not published in any other work. Every lady should procure a copy without delay. Three Editions, 50,000 each, have already been published and distributed this year.

HARVEY'S CHRONO THERMAL FEMALE PILLS.

the most infallible and popular remedy ever known for all diseases of the female sex. They have been used in many thousand cases with unfailing success, and may be relied on in every case for which they are recommended, and particularly in all cases arising from OBSTRUCTION OR STOPPAGE OF NATURE, no matter from what cause it arises. They are effectual in restoring to health all who are suffering from Weakness and Debility, *Uterine Discharges, Nervousness, &c.*, &c., and they ACT LIKE A CHARM in strengthening and restoring the system. Thousands of ladies who have suffered for years and tried various other remedies in vain, owe a renewal of their health and strength wholly to the efficacy of

Dr. Harvey's Female Pills.

They are not a new discovery but a long tried remedy—the celebrated

DR. JOHN HARVEY,

one of the most eminent physicians, prescribed them for many years in his private practice, and no physician was more truly popular or widely known than him in the treatment of

FEMALE DIFFICULTIES.

All who have used DR. HARVEY'S FEMALE PILLS recommend them to others. Nurses recommend them—Druggists and Dealers recommend them in preference to other medicines, because of their merits. No lady objects to taking them for they are elegantly

SOLD BY DRUGGISTS GENERALLY.

NOTICE TO ALL CONCERNED.—Among a certain class of self-important people there is a peculiar feeling of contempt attached to all physicians that advertise and treat the diseases named in this card, (PRIVATE DISEASES,) why this should be, they nor no one else can tell. Are they not aware that all physicians treat diseases of every denomination, in fact solicit just the very diseases that are so obnoxious to these very refined parties. I suppose they would not let one of their family go to a party that had advertised years for their benefit, because he advertises the fact, and their family physician says he is a humbug so he can get the case. Often he has almost deprived the party of his life. He comes at last by the physician that advertises. Now I ask are they to know? Are they for aware that Sir Astley Cooper, Sir Benjamin Brodie, Sir Charles Bell and Paul Ricord devoted years in the treatment of these diseases? These men are held up as shining lights in the medical world; I don't assert that all men are worthy that publish, still there are a great number of them that are. I have devoted myself to the study and treatment of PRIVATE DISEASES upwards of 10 years, and without egotism can say I have saved hundreds from years of misery and untimely death. My treatment is confined to the vegetable altogether, as I think it is the best and most certain. It is in my power to bring hundreds of certificates if I thought it necessary to certify to my general success; but my long residence in this city is sufficient proof without adding more. Spermatorrhea and all diseases arising from it are cured in a much shorter time than heretofore. If behoves every young man and woman to be careful in selecting a physician. The different advertisements that are seen in our papers are of no worth, and no benefit will arise from answers than only loss of health and money. Hundreds are cured annually by my new remedies.
