PILES OF

TWENTY YEARS STANDING

CURED.

Below will be found a certificate from the one of the most respectable citizens of Wilkins township in regard to Dr. Keyser's Lindsay' Blood Searcher. The Doctor's certificates are within reach, and no one need be deceived in regard to his preparations.

DR. GEO. H. KEYSER:—I became afflicted with piles about twenty years ago, and every year they were growing worse, so as to trouble me very much, so much so at times as to unfit me for work. Sometimes I was so bad that I could not do anything account of them, they came on me as large as a hickory nut. I had tried a great deal of medicine for them. I used to buy and take whatever I could hear of or read of in circulars and pamphlets that fell in my way, but could not get cured, sometimes they would do me some good for a little while, but afterwards they would return again as bad as ever. I also applied to two Doctors who visited me at my house and gave me some medicine but it would do me, I could not get well. Over a year ago I saw an advertisement of *your* Lindsay's Blood-Searcher, made by yourself—when you sold it to me you told me one bottle would not cure me, and that my whole system would have to be purified by the medicine before I got well. I bought one bottle and took it home with me and used it according to your directions. I then called to see you again, when you said I could not expect much benefit from one bottle. I bought two, one bottle at a time, until I had three. After this quantity had been used I was entirely well of the Piles, which had tortured me for twenty years. In other respects my health is improved, and I am as well as could be expected for one of my age, being sixty years of age. I have been well now for six months, and there is no appearance of a return of the disease; I can do any kind of farming work now without the Piles coming down and hurting me. I can chop hay, short wood, lift, or do any kind of work, which before used to hurt me. When I began to use your Blood-Searcher I kept on taking it until I got entirely well. I consider it my duty to make my case known to the country for the relief of others who may be suffering as I was. I do not know the value of your medicine. You may publish this if you like—I live in *Wilkins township*, and will be pleased to satisfy any one of the truthfulness of the certificate if they wish to call.

December 24th, 1863.

Look out for the name of DR. GEORGE H. KEYSER on the cover of the bottle and pasted down the cork, also for the Stamp on the United States Stamp on the top of the bottle to prevent being imposed upon by Counterfeit articles which have been put up in imitation of the genuine article.

MEDICAL.

MANHOOD,

THIRD EDITION, FIFTY THOUSAND, 96 pages, cloth covers, by

Robert E. Bell, M. D.,

Member of the Royal College of Surgeons, London, addressed to youth, the married and those

CONTEMPLATING MARRIAGE.

Sent by mail, post paid, on receipt of ten cents. A careful perusal of this small book has been a boon to the afflicted, and has saved thousands from a life of misery and an untimely grave. It treats on the evils of Youthful Indiscretion, Self-Abuse, Seminal weakness, Emissions, Sexual Diseases, Genital Debility, Loss of Power, Nervousness, Premature Decay, Impotence, &c., &c., which unfit the sufferer from fulfilling the OBLIGATIONS OF MARRIAGE, and illustrates the means of cure by the use of

DR. BELL'S SPECIFIC PILLS,

and other treatment necessary in some cases, and which never fails to cure, and can be seized on. They do not nauseate the stomach, or render the breath offensive, and they can be

USED WITHOUT DETECTION.

They do not interfere with business pursuits, and are speedy in action. No change of diet is necessary. They are warranted in all cases to be effectual in removing and curing the disease. Upwards of two thousand cases are on record that have been cured by using BELL'S SPECIFIC PILLS, and certificates can be shown from many that have used them.

No Case of Failure ever Occurs.

Upwards of a Hundred Physicians use them extensively in their practice, and they cannot effect cures without them.

IMPORTANT NOTICE,

BELL'S SPECIFIC PILLS

Are the original and only genuine Specific Pills. There are a host of imitators—BEWARE OF THEM.

These are Warranted.

They are adapted for male or female, old or young, and are the only reliable remedy known for the cure of all diseases arising from

YOUTHFUL INDISCRETION.

In all Sexual Diseases, as Gonorrhea, Stricture, Gleet, and in all Urinary and Kidney complaints,

They Act Like a Charm!

Relief is experienced by taking a single box, and from four to six boxes generally effect a cure.

Sold by Druggists generally, in boxes containing six pills, price $1 or six boxes, $5; also in large boxes, containing four of the small, price $3.

If you need the Book, or the Pills, cut out this advertisement for reference; and if you cannot procure them of your druggist, do not be imposed upon by any other remedy, but enclose the money in a letter to the proprietor,

DR. J. BRYAN, Box 5079,
76 Cedar Street, N. Y.

who will take all risk if properly directed, and will send the Pills, secured from observation, by return mail, post Paid.

SOLD BY DRUGGISTS GENERALLY.

NOTICE TO ALL CONCERNED.—Among a certain class of self-important people there is a peculiar feeling of contempt attached to all physicians that advertise and treat the diseases named in this card, (PRIVATE DISEASES,) why this should be, they nor no one else can tell. Are they not aware that all physicians treat diseases of every denomination, in fact solicit just the very diseases that are so obnoxious to those very refined parties. I suppose they would not let one of their family go to a party that has devoted years for their benefit, because he advertises the fact, and their family physician says he is a humbug so he can get the case. Often he has almost deprived the party of his life. He comes at last to the physician that advertises—how else are they to know? Are they not aware that Sir Astley Cooper, Sir Benjamin Brodie, Sir Charles Hall and M. Paul Ricord devoted years in the treatment of these diseases? Those men are held up as shining lights in the medical world; I don't assert that all men are worthy that publish, still there are a great number of them that are. I have devoted myself to the study and treatment of PRIVATE DISEASES upwards of 40 years, and without egotism can say I have saved hundreds from years of misery and untimely death. My treatment is confined to the vegetable altogether, as I think it is the best and most certain. It is in my power to bring hundreds of certificates if I thought it necessary to certify to my general success; but my long residence in this city is sufficient proof without adding more. Spermatorrhea and all diseases arising from it are cured in a much shorter time than heretofore. It behooves every young man and woman to be careful in selecting a physician. The different advertisements that are seen in our papers are of no worth, and no benefit will arise from answers than only loss of health and money. Hundreds are cured annually by my new remedies. DIRECTORS AND TRUSTEES:

This company holds the fee simple of 1057 acres of best quality Coal Land, situate on the Monongahela river. The cost of said land at $116 per acre amounts to $122,703. The remaining $27,296 of the capital stock will be used in building a short railroad, erecting Coal Tipples and other necessary improvements, to develope the mineral of the company. The distance from the river bank to the coal already opened is but fifty feet. At a low stage of the river there are 20 feet water at the Companies Coal Mines.

From these facts the Trustees and Directors have no doubt that with proper energy the stock of the company can very soon be made highly remunerative. 30 per cent. on subscriptions will be called in, payable on or before the 12th of September, 1864; balance of instalments as may be ordered by the Trustees and Directors, and as the company require.

HON. AMOS KENDAL ON THE CRISIS.

Proofs of General McClellan's Loyalty—In what He and Lincoln Agree and in what They Differ—His Letter Consistent with the Chicago Platform—Opposition to Him is Support of Lincoln—Our Future in Case of Lincoln's Re-Election.

To all Just and Patriotic Men.

Before we proceed with our exposition of the conduct of the Administration towards the Army of the Potomac and the able General who created it, we turn aside to say a few words about the Democratic nominations and define the issues now before the country.

The objections to General McClellan as a candidate for the Presidency are both amusing and instructive. In this one thing the Lincolnites and those whom they call Copperheads cordially agree. The Lincolnites are endeavoring to prove that McClellan, in his acts, is too much like Lincoln to be a fitting candidate for Copperheads, and the latter echo the sentiment. If anything were wanting beyond his own declarations to establish General McClellan's uncompromising loyalty, it is furnished by the concurrence of that point of these two extreme factions. It proves, that General McClellan is a fitting candidate to be voted for by all *Conservative Republicans* as well as Democrats.

But McClellan and Lincoln agree on only one point, and that is a professed determination to maintain the Union at every hazard.

They differ radically in relation to the best means to accomplish that end.

Lincoln has a preliminary to the restoration of the Union, and that is the abandonment of slavery by the seceded States. He will not let them return to the Union without the relinquishment of a right held in common by all the States—by Massachusetts as well as South Carolina. To force the abandonment of this right upon the Southern States while it is enjoyed by the Northern, whether they choose to exercise it or not, he would sacrifice hundreds of thousands of northern lives and thousands of millions of northern money. In short, he is not waging war to maintain the Constitutional Union based on the equality of the States, but to enforce on the Southern States a new Union, in which their relation to the Northern shall be that of conquered provinces, deriving their local institution, not from the will of the people, but from the prescriptions of the conqueror.

McClellan, on the other hand, would wage war for no other purpose than disarming rebels and enforcing the Constitution and laws, *just as they are.* That done, the Union would be *ipso facto* restored, and each State would stand in its original position of equal rights and equal privileges.

Lincoln will receive no proposition for the restoration of peace and union which does not also propose the abolition of slavery.

McClellan on the other hand, "so soon as it is clear or even possible, that our present adversaries are ready for peace on the basis of the Union," would "exhaust all the resources of statesmanship practiced by civilized nations and taught by the traditions of the American people, consistent with the honor and interests of the country, to secure such peace, re-establish the Union and guarantee the rights of every State."

McClellan is for the old Union founded on consent, only insisting that the Southern States shall be faithful to their engagements.

Lincoln is in favor of a new Union founded on conquest, and supported by minorities in the conquered States backed by bayonets.

In short McClellan is for permanent peace and Lincoln virtually for perpetual war.

Which ought conservative Democrats and Republicans vote for?

But some of the so-called peace Democrats, it seems, think General McClellan's letter of acceptance incompatible with the Chicago platform. In what respect? The platform declares "That in the future, as in the past, we will adhere with unswerving fidelity to the Union under the Constitution as the only solid foundation of our strength, security and happiness as a people, and as a frame work of Government equally conducive to the welfare and prosperity of all the States, Northern and Southern."

General McClellan declares that "the Union must be preserved at all hazards." Now what is the difference between a declaration of "unswerving fidelity to the Union" and a declaration that it "must be preserved at all hazards?" And how can men who voted for the former declaration, refuse to vote for McClellan because he made the latter?

But the platform declares that "justice, humanity, liberty, and the public welfare, demand that immediate efforts be made for cessation of hostilities, with a view to an ultimate Convention of all the States, or other peaceable means to the end that at the earliest practicable moment peace may be restored upon the basis of the Federal Union of the States." And General McClellan says nothing about armistice or cessation. Not in terms, but he does say that "
