which framed: the latter was chosen under a law that not only gave them the right to changed all particulars the ex-isting Constitution, but gave that right without limitation or restriction. The only restriction to which it was subject came form another interact the Constitu-THE WHISKY SPECULATION .--- In speaking of the present tumble in the prices of provisions and the failure of a number of firms in Chicago and else-where, the Cleveland Herald refers especially to the enormous speculation in whisky slone, during the last two years, and charges members of Congress with complicity in the business. The Herald says: The whisky speculation, has car-ried a number of Chicago banks by the board. When at Chicago we saw a ent and inalierable American principle that every people have a right to change their Government, and is altogether inboard. when at Unrago we saw a freight house of the Chicago, Burlington and Quincy Railroad Company, that is six hundred feet in length and fifty in width, which was filled from end to end applicable to the present case, in which the Convention usured a power not only not granted, but denied to it by the very law under which alone they width, which was filled from end to end, and from side to side, with high wines in barrels piled four thers'deep. Think of that one deposite of whisky, lying there for a rise, and has lain there for months. A slight depression on a gal-loa.upon that one dot would send a condition to a bigh sea high The Virginia precedent is equally inappropriate. The principle just advert-ed to she recognized. In its nature it is ed to and recognized. An its nature it is revolutionary, but notwithstanding that it is a legal grinciple of The people of Virginia, in 1829, might therefore have assembled in mass and changed their

made to protectifie if vigorialy. The Government claims to have been in pos-session of a knowledge of the compira-cy charged upon Mr. Dodd and his asso-clates for months, if we can believe its of the men that were to go-some the selection of the men that were to go-some fitted the inass and charged the inass and charged the sessibled in inass and charged the inass and charged the sessibled in inass and charged the inass and charged the sessibled in inass and charged the inass and charged the sessibled in inass and charged the inass and charged the sessibled in inass and charged the inass and charged the sessibled in inass and charged the inass and charged the sessibled in inass and charged the inass and charged the sessibled in inass and charged the inass and charged the rest in Convention for that purpose to progress and strengthen, as they al-lege, until it assumed dangerious propri-tions. Is there a man in the community with intellect so obtase and projerides of the sectors of the sate on the question under con-tions and reprinted friends to get some to the the the transfer the odd, when the invest ap roperived friends to get some cent clizens were involved, were reft. The duarge dagainst Mr. Dodd, when the isset of progress and properived friends of inset if word of the south of the gudders of the the duark. Studt for the roution, it was contended in the duark and properive of the south and fifty for the the duark. The voic of the south of the work of the south asset were there awas any conspiracy intended is there awas any conspiracy intended in the duark. Studt we they elected the abopt and properives intended in the duark differ the jaw. They dile the other south asset in and souther stry. The of the heat of the the ability to the the duark stry of the struct were would be satisfied in the duark. The work of the south asset in a mo-tor of the vorte og how end, of the order of the court or mechanic the about of the heat as the south asset change which is taking place around
