this dity, who made a brilliant and eloquent speech on the duty of the Democratic party when their rights were concerned. When he looked around him and saw such a crowd of peo-ple who knew their rights and a crowd of peo-ple who knew their rights and dare maintain them, his feelings prompted him to propose store the country to its former standing and every man, according to his own way, and when there, his feelings prompted him to propose three cheers for those present, as they could re-store the country to its former standing and make its fing flast over land and sea. (Dheers,) we must meet the issue barvely, it is the duty of the Democracy to do so, and he felt confident would do their duty. In one of the great body who eil beart the responsibility. He made birdge which it was found of the turned in more than a succe the to the country to its former standing and make its figure as a staticed thir. Issue to present before the people, and to a great the country to do their duty is the duty of the Democracy to do so, and he felt confident a lie in his mouth. General frant the responsibility. He made birdge which it was found of the turned import. Issue to present before the people is in a lie in his mouth. General frant the responsibility in the probably fatal injury the least, is a better General than Lincoln, against that devoted band, but the band, but the plan in making a more on Richmond, he would against that devoted band, but they for present deasers. When any first and all ster of General Grant to and only three hundred were loft, but still did not desert their post. Thally all but the force to stantform, his peopletion he mached of with his face toward were killed; and when he was forced to stantform, his position he mached of with his face toward were killed; and when he was forced to stantform, his position he mached of with his face toward were killed; and when he was forced to stantform, his position he mached of with his face toward were killed; and when he was forced to stantform, his position he mached of with his face toward were killed; and when he was forced to stantform, his position he mached of with his face toward were were filled and the was forced to stantform, his position he mached of with his face toward were arguing the termonolisance. The fast is Lincoln was more the next synche of the displays whit to the forces the upone and the strates arguing of the States. When the Pr

racy are the rear guard of the Union, and they will defend their rights like the brave rear guard of France. [Oheers.] Here the speaker gave a brilliant descrip-tion of Independence was expected when the renresentatives of the nation matin Philadel; Nerret are speaker guard in Philadel; Nerret ar representatives of the nation met in Philadel- point, which shows that it nearly equalied, in phila, and with what feelings the heart of the na- point of numbers, the Abolition procession of disunionist. We are opposed to the hateful distribution of the state of th phis, and with what feelings the heart of the na-tion throbbed before they prochaimed that they were free and independent. After a period of anxious expectation the bells joyously rang out liberty throughout the entire country and we were free. You are here this evening to think the bell of liberty like our forefathers in 1776, and preserve our rights and liberties in all their
