A handsome pros-ent worth from 50 cents to \$100 00 accompanies each book sold. The rebel Admiral Buchanan is to be ering such as the poorer classes can only realize sent to New York and thence to Fort during the frosts and cold winds of winter. It. is certainly a phenomenon in nature that we Warren. should want in the midst of plenty, and that The Commercial's Newbern correspondent says: A number of soldier the line of the Baltimore and Ohio rails while nearly every field around us covers rich weins of coal beneath its soil, we could not obwere burned in the ruins of a bridge road, but up to I the time of going to tain a sufficient supply to defend us from the blown up during the fire at this place press we have not been able to ascerwintry blast. But it is certain that if things

were allowed to maintain their former course we would soon be brought to this. We do not wish to animadvert upon the fact that while we Concert Hall.—A splendid entertainment will be given to the public on the 6th and 7th of December. The world renowned planist and composer, L. M. Gottschalk, will give his two fareweil concerts during those two days, and will be sustained by several other accomplished well known to the musical world. The services ring from the scarcity of coal other cities were provided with an abundant supply from our coal mines, and were thus enabled to dispose of this article in their markets at a price far less than that we were forced to pay in Pittswell known to the musical world. The services of Miss Lucy Simons, the eminent cantatrice, have also been engaged for the occasion This will certainly appear astoniahing, bu such are the facts, and facts are stronger than

such are the facts, and facts are stronger than either argument or assertions, because they sur-pass them in one thing-they are incontroverti-ble. We do not wish to inquire into the causes of such a strange occurrence, nor do we wish to blame the conduct of those men who permitted such a strange occurrence to happen. This at present would be useless, and we have one hope that the end of these proceedings is at hand, and let us embrace it. The public will no doubt be glad to learn that coal will again be sold at a measonable price, at least appearances induce us to think as much.
