oguian a tire After several trials of this kind, in which the naming of the engine that was to be called was

DYNPEPSIA, NERVOUSNESS, AND DE-BILITT, DR. STRICKLAND'S TONIO.----can recommend those suffering with loss of Ap-petite, Indigestion, or Dyspepsia, Nervousness and Nervous Debility, to use Strickland's Tonic. It is a vegetable preparation tree from al-coholic liquors, it atrengthens the whole nerv-ous system, it creates a good appetite, and is warranted to cure Dyspepsis and Nervous De-bility. entirely at the option of the committee, these gentlemen were entirely convinced of the success of the fire alarm telegraph, and returned home highly satisfied with the manner in which it worked. As everything in connection with this system has proved so satisfactory to the committee appointed to examine it, the probability is that it will be placed into operation in this city without delay. It will not cost much to the city, and the many benefits which are to

be derived from it will no doubt recommend its adoption. The Price of Coal .- The subject of the price of coal has been so often brought before the pubiic, and it has been so often intimated measures are being adopted for reducing it, that

meeting of the Coal Exchange, held during the latter part of last week at the Board of Trade

Rooms, the necessity of adopting some means to reduce the price of this necessary article in

this city was considered. After considerable

discussion Mr. A. D. Smith moved that the

erly disposed of, A committee, consisting

Messrs. J. P. Smith, Simpson Horner and E.

H. Irwin, were appointed to prepare a memorial to the Councils of the two cities asking them to

prepare a suitable place at the wharves for the

anding and storing of coal, and also to have

the obstructions in the channel at the Point

removed. This fact shows that they mean bus-

iness, and that they will exert themselves in

we fear the community will at length be induced to believe that their hopes are entirely without foundation. This, however, is not the fact, octi7:lyd&w and we feel confident that the coal question NATURE'S UNFAILING REMEDY will be finally terminated to the satisfaction all concerned. The coal dealers have taken the matter in hands, and everything seems to in-

dicate that they intend to reduce the prices and provide the public with a sufficient supply of coal at as low rates as possible. At a special

DIARRHŒA.

President and Secretary of the Association be instructed to prepare a circular and send a copy to each coal works on the river, requesting them to send coal to the city to be sold at ter

Willock were appointed a committee to take BLACKBERRY charge of such coal sent and see that it is prop-

<sup>7</sup>s the only safe and sure cure. It contains r opium or deleterious drugs, no mineral or other injurious compounds common to remedies genrally sold for this class of disease. It is on afficacious that Physicians very generally use

this matter for the benefit of the public. Economizing Coal.-The Scientific Ameri-

congives the following useful hints upon this sitions, (many of which undermine and ruin the perience who understands the philosophy of coal fires: A good bright fire can be steadily themselves. maintained with coal with less trouble than with any other kidd of fuel, but not by raking, poking and piling in green fuel continually. After breakfast the fire should be cleared of ashes, if there are any, and fresh coal put on to fill the bot le. grate moderately. Let the oven damper be turned up so as to heat it and leave the small Prepared only by

top door open more or less, according to the intensity of the heat required. In this way air enters over the top of the fire, and maintains far better combustion and consequently greater heat than when the draft dampers are thrown

Important Order .-- The Provost Marshal General at , Washington has sent the following important order to his assistant at Harrisburg in relation to the State Guard:

open.

"The Secretary of War directs me to inform you that the President of the United States has ordered as follows: In case the Governor of

Pennsylvania shall organize the Pennsylvania State Guard and put in service under the State act for that purpose a number not exceeding five thousand, it is ordered that any member of said organization being drafted into the United States service be at once furloughed, so as to retain his place in said State organization, not

fow, if any, yesterday violated the law in this respect. The thirst for lucre which impels these men to'violate the law on Sunday is ef-certually represed when their pockets are con-cerned. It is but natural that they should now desist, as they run the risk of loaing far more than they could gain if their illicit traffic be dis-covered. Any other measure would prove info-fectual, and a heavy fine is the best th ing to make these men do that daty.
