MURRAL OF POST

guard against abuse of so important a privilege. This would enable predent persons the aside a small annuity against a possible danger. against a possible danger.

Privileges like these would render the
possession of such securities, to the
amount limited, most desirable to every
person of small means who might be Able to save enough for the putpose. The great advantage of citizens being creditors as well as debtors with relation to the public debt, is obvious. Mer

tion to the public debt, is obvious. Mepreadily perceive, that they cannot vinuch oppressed by a debt which they one to themselves. The public debt on the first day of July last, although somewhat exceeding the estimate of the Scretary of the Treasury, made to Congessiat the commencement of last session, falls short of the estimate of that officer, made in the preceding December. sion, falls short of the estimate of that officer, made in the preceding December, as to its probable, amount at the beginning of this year by the sam of \$3,995,079,33. This fact exhibits a sat isfactory condition and conduct of the operations of the Treasury. The National Banking system is proving to be acceptable to capitalists and to the people. On the 25th of November 584 National Banks had been organized, a constitutional Banks had been organized, a constitutional Banks had been organized, a tional Banks had been organized, a considerable number of which were conver sions from State Banks. Changes from the State system to the National system the State system to the National system are rapidly taking place, and it is hoped that very soon there will be in the United States no hank of issue not authorized by Congress, and no hank note circulation not received by the Government That the Government and the people will derive general hands. will derive general benefit from this change in the banking systems of the country, can hardly be questioned. The national system, will create a reliable and permanent influence in support o national credit and protect the peo ble against losses in the use of paper money. Whether or not any further legislation is admissible for the suppres-

sion of State bank issues, will be for Congress to determine It seems quite clear that the treasury cannot be satisfactorily conducted unless the Government can exercise a restrain ing power over the bank note cincula lation of the country. The report of the Secretary of War and the accompanying documents will detail the campaigns or the armies in the field since the date of the last annual message, and also the operations of the several Administrative Bureaue of the War Department during the last year. It will also specify the the last year. It will also specify the measures deemed essential for the national defense, and to keep up and supply the requisite military torce.

The report of the Secretary of the Navy presents a comprehensive and satisfactory exhibit of the affairs of that pepartment, and of the naval service. It is a subject of congratulation and laudable pride to our countrymen, that a navy of such vast proportions has been organized in so brief a period and conducted with so much , efficiency and success. The general exhibit of the navy, including vessels under construction on the 1st of December, 1864, shows a total of 671 vessels carrying 4,610 gun-and 510,396 tons, being an actual in crease during the year, over, and, above all losses by shipwreck or in haule of 83 vessels, 167 guas and 42,427 tons.

The total number of men at this time

captures since hostilities commenced is e thousand three hundred, of which 287 are steamers. The gross proceeds arising from the sale of condemned prize property thus far reported amount prize property thus far reported amount to \$14,398,350,51. A large amount of such proceeds is still under adjudication, and yet to be reported.

The total expenditure of the Navy De

pariment of every description, including the cost of the immense squadrons that have been called into existence from the 4th of March, 1861, to the 1st of No-yember, 1863, are \$23,864,726,235.

Your favorable consideration is invi-Tour favorable consideration is invi-fed to the various, recommendations of the Secretary of Navy, especially in re-gard to a navy yard and a suitable es-tablishment for the construction and re-pair of iron vessels and the machinery and armature for our ships to which ref-frence was made in my last annual mes skie. Your attention is also invited to the views expressed in the report, in regard to the legislation of Congress at its last session, in respect to prizes on our inland waters. I cordially concur in the recommendation of the Secretary as to the propriety of creating the rape.

to the propriety of creating the rank of Vice Admiral in the naval service.

Your attention is invited to the report of the Postmaster General for a de-tailed account of the operations and financial condition of the Postoffice De-

over receipts being \$20,665,242.

The view presented by the Postmaster General on the subject of special grants by the Government in aid of the establishment of new lines of ocean mail steamships, and the policy he removed the development of in greased commercial intercourse with adjacent and neighboring countries should abolishing slavery throughout the United stream in the str sorbed almost the entire energies of the at the present session. Of course the nation of the Bigge of Novado has been intervening election shows almost cerucially with law, and tainly that the next Congress will pass that is, such as were in custody or under the practically approximately the door has been for a full ministration. thus our excellent system is firmly es the measure. Hence there is only a tablished in the menutains, which once desired a barren and inhospitable waste posed amendment will go to the States between the Atlantic States and those for their action, and as it is so to go at between the Atlantic States and those which have grown upon the coast of the Pacific Ocean. The territories of the Jonied States are generally in a condition of prosperity and rapid growth Idaho and Montana, by reason of their yoles, and further than as an additional great, distance and the interruption of communication, with them by Indian hostilities, have been only partially organized, but it is sunderstood that these difficulties are grown to disappear, which ganized, but it is understoon tust succe difficulties, are about to disappear, which will permit their Government like those of chiers, he go into speedy and full operation, as intimately connected with antipromotive of this material growth of such unanimity is strainable to slavery any person who is free by the our Executive Council, and by this our connected with such unanimity is strainable to slavery any person who is free by the our Executive Council, and by this our and promotive of this important recommendations, relating to the majority, simply because the patient recommendations, relating to the majority, and important recommendations, relating to the majority, and important recommendations relating to the majority. The majority with make it an Executive duty to re-ensured the majority and make it an Executive duty to re-ensured the majority. The majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive duty to re-ensured the majority make it an Executive Council, and by this our terms of that proclamation, prohibit the expor-ensured the majority may be recommended to slavery any person who is free by the our Executive Council, and by this our terms of that proclamation in the expor-ensured the majority. The this should be should be

The cash received from sales and local assurance of this. Not only all those ion fees was \$1,0 9,446. The income who supported the Union ticket, so cash ion fees was \$1,09,446. The income rom sales during the fiscal year ending let fune 30th, 1864 was \$67 80,751, against \$13,607,795 received during the preceding year. The aggregate of acre and previous during the rear has some child in the rear and the received during the rear has some child in the rear and the received land. The great enterprize of connecting the damp with the Reiffer Thates by allows and relegate lines has been entered upon with a vigor hat gives assurance of success, notwith standing the embarrassments arising distance.

standing the embarrassments arising rom the prevailing high prices of matedal and labor. The route of the main ine of road, has been definitely loca-Nevada. Numerous discoveries of gold, silver and condition min s have been the subordinate ranges now seems enterprising labor, which is richly renumerative. It is believed that the products of the mines of rich metals in that region, has during the year reached, if not exceeded \$100,000,0 0 in value. It

with reasonable success. Much yet remains to be done to provide for the proper government of the Indians in other parts of the country, to render it secure tor the advancing settler, and to provide for the welfare of the Indian. The Secretary reiterates his recommendations,

invited:
The liberal provisions to invalid soldiers and sailors of the Republic, and to the widows, orphans and dependent mothers of those who have fallen in battle, or died of diseases contracted, or of wounds received in the service of their country, have been diligently adminis

and to them the attention of Congress is

There have been added to the Pension colls during the year ending the 30th day of June last, the names of 16,770 inval-id soldiers and of 271 disabled seamen, id soldiers and of 271 disabled seamen, making the present number of army invalid pensioners 21.767, and of the navy invalid pensioners 712, of widows, orphans and mothers 22,198 have been placed on the army pension rolls and 248 on the navy rolls. The number of army pensioners of this class was 25, 488, and of the navy pensioners 793 at the heginning of the year. The number of the pensioners 793 at the heginning of the year. The number of the pensioners 793 at the heginning of the year. 488, and of the navy pensioners 793 at the beginning of the year. The number of Revolutionary pensioners was is not material to inquire how the increase has been produced, or to diers, of whom seven have since died but for the war, which is probably true.

So much is shown affirmatively and negatively by the election. It is not material to inquire how humbing George Francis Train; the differ ence being that he is less popular with out being any more influential. In Philadelphia banks.
