For Sale — We would direct the attention of our readers who wish to make safe and reliable investments of their money, to the valuable farm and lots which are now for sale by Mr. James and lots which are now for sale by Mr. James Murphy, a notice of which will be found in another column. This property is very favorably situated, so that it is anticipated that by fixelf it will be able to command doubte the price which is now asked for it, owing to the price which is now asked for it, owing to the immense demand for landed property, which is daily on the increase. The farm, which is now offered for sale, is located in Henry county, Ohio, and contains eighty acres. Farmers, or others, will find it a funct destrable property; the land is well cleared, and with proper cultivation, would yield a rich crop of grain of any kind, for which it is peculiarly adapted. Its grazing qualities are unsurpassed, and for this we would highly recommend it. Christes, acknowle, ac. are in the immediate vicinity.
