shell jackets (which may account for the sometimes tight appearance of the wearers), with corduroy clothes high boots, silver spurs, and dainty oriding whips. As for the Zouave style; it has disappeared, and curiously enough, those who entered the service with the Zouave distappeared to the service with the Zouave dill and dress on the brain, have nesriy all fallen out of the ranks. Probably the unearthly sounds which they uttered the unearthly sounds which they uttered costly, and perhaps not so popular with the unearthly sounds are not so popular with the unearthly sounds which they uttered the unearthly sounds which the uttered the hill and dress on the brain, have nearly must protect the empire won by French all fallen out of the ranks. Probably bullets and bayonets. Now Napoleon command, undermined their constitu-tions. At any rate, we no longer hear war. Moreover, the finances of France "Sir r.r arr r!" "Or r ar r.r!" but "shoulder arms" and "order arms" in more than ever desirable. Napoleon is plain English.

The Design of It.

The Toronto (Canada) Leader, in no icing the termination of the Canadian Reciprocity Treaty, which has been de termined on at Washington, and the building of a fleet of revenue cutters upon the Lakes by our Government 88 y 8:

The order of General Dix was, of course, founded on the release of the St. Albans raiders; but the building of the reveuue cutters was a foregone concluion, even before the notice to terminat the arrangement with England, restrict ing armaments on the Lakes, had been riven. And the resolution about the and the day before it had been given. This resolution reaches us by mail, the

ON Tuesday the 20th inst. Mr. Fincuke of New York introduced a reso-lution to the House intended as a pre-liminary move towards preventing the Canada railroad lines from carrying pro-duce from the East and West. This will prove very damaging to the Cana-dian interests as all freights must then pass over all our own lines.

version, it is America which has formed the subject of deliberation both here and on the other side of the channed. The Lincoln election, the speech of Mr. Sawad, that of Mr. Jefferson Davis, the affair of the Florida, the violent attack of Mr. Webb in his letter to the Brazil-ian Minister — an attack. in which, though England alone is designated, she is endeavoring to induce France to look upon it as a menace to both countries-all this series of facts is of a nature to make the statesmen of England and France reflect. The probability, therefore, is that the wish both in London and Paris is to as-certain the respective opinion of Satch certain contingencies. mirful give rise to

Military rasmons. The Washington correspondent of the Baston Journal says the young officers who manage, through political influence, to get themselves detailed on "special duty" thereabout are becoming fearful-ly excited about their appearance. At the beginning of the war, round head some heads used to look. "Be though they sand-parent Sector Cossly clipped, but t complexion ranged from a deep brown to a misoegenation yellow." But now,

The Policy of Napoleon.

The Paris correspondent of the New York News thus speaks of the policy of

more than ever desirable. Napoleon is exerting himself to bring about partial disarmament, and he could not succeed if there were any danger of the United States attacking the empire which it has pleased him to set up. Rightly or rongly, he regards the re-election Mr. Lincoln as a guaranty of another

four years of war, and is satisfied that, so long as North and South are fighting, Mexico is sate from attack. I am confident that if the Emperor Napoleon saw any prospect of a termination of the war, he would instantly recognize the South, and do more than recognize-he Christadoro's Hair Preservative,

would intervene. To prevent French A valuable adjunct to the Dye, in dressing and promoting the growth and perfect health of the hair, and of itself, when used alone—a safeguard that protects the fibres from decay under all cir-cumstances and under all cimes. Manufastured by J. URISTADOBC, No. 6 Astor House, Now York. Sold by all Drug-gists. Applied by all Hair Dressers. recognition or intervention, you must continue to wage an indecisive war. If you were so successful as to make the downfall of the Confederacy imminent, Napoleon would intervene. If the South is so successful as to make it probable that the North will have to make a peace upon the basis of Southern inde-
