Dear Sir:-Having been in the habit of using, as a family medicine, your Pills, I can with great chverfulness testify to their value, in attacks of Sics Head Ache, and other complaints, arising from disorganization of the ston ach; and shall not at any time willingly be without them in any house. I should not, originally, have used them, had I not known and appreciated your character and capacity as a regularly educated par sician. They have uniformly given relief; operating as a gentle cathar.
