The Ashbourton Dinger. The name of Preserved Fish will be vallying name for the American democracy as long as the dinner 'to Lord Ashburton shall be remembered. The prompt and emphatic declaration of Mr. Fish, as be left the table, 'There are no Americans here, 'is waking up thousands of Ameria cans here, and will wake them up throughout the Union. He believed there were no Americans because of their 'omnious si-

Alex. Brackenridge has frequently been conspicuous in similar services. He has been a member of lence' when their Chief Magistrate was numerous public conventions, without any selfish toasted, and although he did not mean interest, or romuneration: In 1825 he attended there were no Americans there by birth or the great Chesapeake and Ohio Canal Convention republican attachments, yet he did mean which met in the Hall of Representatives at Washthat they might as well have been Britons as "Americans to have kept silently seated ington City, and although then comparatively but a young man, he distinguished himself, in the pre on such an occasion. He did not mean sence of Henry Clay, Charles F. Mercer, and oththat they were not as sensitive to appaare pleased to find the following letters in er talented men of that body. Subsequently, he the last night's Post. We doubt not that represented this County with Wm. Wilkins, Thos Bakewell and others, for colleagues, in the great more will follow, and lessen the list of the 'sorry' Americans, who permitted even Tariff Convention of delegates from the Western Englishmen, to be more observant of mere States, which assembled in New York in October eliquette than themselves, to say nothing 1831, and took an active business part in their the present system, there have been fewer robbeof the contradiction which many gave to proceedings. The proceedings of this convention their loud professions elsewhere of person- also testify to Alex. Brackenridge's principles and practice as a sound tariff man, and devoted to the

al respect for John Tyler. interests of his native State. We do not see that To the Editors of the Evening Post: Mr. Craig was there. GENTLEMEN:-I am not surprised at

Again, Alex. Brackenridge within a few years the indignant comments of the press on the past was one of the Vice Presidents of an imporneglect to pay honor to the toast of the President, at the recent dinner given to tant convention from parts of Pennsylvania, Maryland, Ohio & Virginia, which met to promote the Lord Ashburton.

Chesapeake and Shio Rail road to Pittsburgh As one of the Committee of Arranges He was also a member of a convention which met ments, and also one of the company on at Pittsburgh in January 1838, to promote an earthat occasion, I feel it to be due to myself to disavow the imputation of having ly completion of a continuous line of Rail road been a willing participant in this slight of from Pittsburgh to Cleveland. In these, and many other bodies of a like description, at various the Chief Magistrate.

I was both shocked and grieved at the period», Alex. B.ackenridge has participated at occurrence, and so expressed myself at the various periods, without any other motive, as far as we can perceive, than the public good. But state possesses natural advantages for the growth moment. It did not occur to me, however, that I was a fit person to propose a remewe believe these are too well known to the people of wool not excelled by any other state in the udy. I therefore simply expressed to those near me my deep mortification at the of Allegheny County to require a minute enumeratior; neither should we have taken the trouble to

I can say, in all frankness, that I should recall the foregoing circumstances, had we not event. have joined with pleasure in paying due perceived in the Gazette's late flings at Mr.Brackhonor to the toast of the President, as a caridge, an attempt to raise Mr Craig's reputation, public functionary, and also from the res- not upon its own merits, merely, but by deprecipect I bear to the incumbent of the Presi- ating that of his competitors.

dential chair.

Respectfully, Your's, PROSPER M. WETMORE. To the Editors of the Evening Post:

A London paper advertises for sale the skeleton of Jonathan Wild, price £63. Wild is one of the leading characters in the novel of Jack Sheppard, and according to the authentic history of the NEW YORK, Sept. 5, 1842.

Skeletons.

TES. PHILLIPS & WM. H. SMITH, EDITORS AND PROPRIETOR

PITTSBURGH, WEDNESDAY, SEPT. I

See First Page.

IF As the Guzettee makes a parade of Mr.

Craig's doings for the Cross-cut Canal, we may

as well mention; by the way; that our candidate

times in which he lived, the intamous light in which Sin:-I perceive that the Tribune mentions my name as one of those who are he is represented by the novelist, does no injusresponsible for the omission of the usual tice to his true character. What strikes us as singular in this advertisement demonstrations of respect to the toast of

is the evidence it gives of the disgusting taskes of the President, at the recent Ashburton the people who so fr quently sneer at the "uncul Dinner. tivated manners" and "savage" propensities of I was not present at that dinner, having the Americans. It will also awaken the reflec-

been obliged to leave the city the day pretion that while £60 are given for the dry bones vious, on account of illness in my family. I acceded to the wish of one or two a gibbet, there are bundreds of the honest poor ftiends, who desired me to serve on the dying daily for want of the necessaries of life, and Committee of Arrangements, because 1 their heart rending sufferings regarded with indifthought peace between England and this ference by the pauper lordlings who consider their country desirable for the progress of the and that Lord Asburton had mani-

Fires-The Suit rie an article in the Sur of that does great injustice to the Bolies Committee, and has a direct tendency to fuster a unit of incendiarism among the idle and vicious portion Speaking of the are that occurred last Sunday

morning, it says-"The fire on Market st., is another evidence t the foresight of Messrs Fortune & Co. For the purpose of saving about \$3000 to the City Treasury, they reduced the watch, and store that fime roperty has been destroyed by the oret of the m cendiary, more than double the value to ners than all the saving to tho city by the dis

charge of the watch." Now the fact is, and the editor must know it, that all the fires, with one exception, that have taken place since the new arrangemen', were beyond the jurisdiction of the watch, and the incendiaries could not have been detected by the watch, even under the old order of things.

The reform in the night watch is a good one and meets the approbation of the public. Under and the peace and order of the city, were never better preserved than under the present arrange. ment. The Watch as now organized is abundant

ly able to discharge all the duties expected from t, and the character of the men employed is a sufficient guarantee to the public that they will dis charge the trust confided to them faithfully. If the editor of the San will think of this mat ter for a moment, we have no doubt but he will perceive how very injudicious it is for a public ournalist to become the abettor of incendaries by inducing them to believe that the police is too

weak to check their lawless doings. LEILLINOIS WOOL Large quantities of

wool have been sent to market from Illinois during the past season. An Illinois man says that that

inumerable flocks &t comparatively no cost. There is no doubt but the facilities of Illinois for feeding sheep are unsurpassed, but we think her flat marshy lands are unfavorable to the rear ng of such stock, as it is a fact well known to farmers

that sheep always thrive better and yield finer fleeces when pastured on high, dry land. In this of that city a few days since. An old genrespect, no state in the union is better adapted for rearing of sheep than Pennsylvania, and we have no doubt but our farmers will find it, under the new Tariff regulations, to their interest to embark more extensively in the wool business than they the name of the fair owner, he sent it to a have done heretofore.

THE ALLEGHENY RIVER has suddenly risen very high. It is covered with drift wood, to the extreme delight of a large class of people who, at every freshet, sponge their oven wood

from this river. The trade is therab'y brisk, the Kittanning departed for above yesterday with a good load of of one of the vilest wretches that ever adorned freight and passengers. The Ida is in port preparing to start for Franklin. Several other boats are running in this trade:

The Troy (N. Y.) Iron and Nail Works are amoney well spent when they give 60 pounds for gain in operation and the Troy. Whig thinks that
