sep 10 THE WISE. -It is now well understood how th disorders of the mind depend for their cure pon a due attention to the body. It is now understood row valuable is that medicine which will remove morbid comulations without weakening the bodily power. It is

now understood that there is a reciprocal influence be. ween the mind and the body. It is now understood that purging with the Brandreth Pills will remove a melanholy, and even insanity is cured by perceveringly using them: It is now understood how much domestic hanni acss depends upon the healthy condition of the digestive organs.

It is now well known that the Brandreth Pills have cured thousands of hopeless and helpless persons, even when the first physicians had pronounced them beyond all human means of relief. It is now not only well known that the Brandreth Pills so cure, but it is also an erstood how they cure; that it is by their purifying effect on the blood that they restore the body to health.

The value of the medicine is becoming more and mor manifest, it is recommended daily from family to family. The Brandfish Pills remove in an almost imperceptible manner all nozious accumulations and purify and invigo rate the blood, and their good effects are not counterba ced by any inconveniences; being composed entirely c vegetables they do not expose those who use them I danger; and their effects are as certain as they are sain-tary; they are daily and safely administered to infancy. routh, manhood, and old acc. and to women in the mos ritical and delicate circumstances. They do not disturt r shock the animal functions, but restore their order nd establish their health.
