NEW LIGHTS:—*The Home League Lamps! Highly im-*
portant to the Public.—The Subscribers, Agents for
Carr's Patent Lamps for burning Hog's Lard or other fatty
substances, have just received a quantity of the Lamps to
which they would respectively call the attention of the
public. They are peculiarly adapted to the present hard
times, as it becomes all parts of the community to econo-
mise in all things, and in offering their Lamps to the pub-
lic, the subscribers feel fully satisfied, and are ready to
satisfy the most incredulous that in using their Lamps
there is a real saving of at least 50 per cent. over any oil
now in use, and a certainty of having a light
equal, if not superior, to that obtained from the best Sperm
Oil, and, unlike the Camphine, there is no danger of ex-
plosion; and the construction is so simple, that it requires
little or no experience to keep them always in order.
We would most particularly call the attention of people
living in the country to examine these Lamps, as we feel
satisfied that there is scarce a family that does not annu-
ally waste lard and grease enough to keep them constant-
ly with the best light, if applied to these Lamps, whereby
the whole expense of oil and candles would be
saved. We would invite all to come and examine for
themselves that they may be satisfied that there is not
can be, no deception, as it is our object that every one
should be fully convinced of their utility and superiority
over all other lamps now in use, as well as in regard to
the superior light they give as to the great saving; as we
do positively assert that forty cents worth of lard will
burn as long and as equally as good, if not better light,
than one gallon of the best Sperm Oil, which will cost
$1 50, further, there is no smoke or disagreeable smell
arising from the burning of lard, which cannot be said of
Oil, or that abominable and dangerous stuff called Cam-
phine Oil, or Spirit Gas.
☞ Most oil lamps now in use can be altered as to burn
lard, which alteration the subscribers will make at a rea-
sonable price. They will also purchase second-hand
lamps, or exchange the lard lamps for them.

LARD OIL.—The Subscriber would most respectfully
inform the public in general that he has an article of
Lard Oil of a superior quality, manufactured at the Cincin-
nati Oil Manufactory, by R. W. Lee & Co., which is warran-
ted to be equal to the best Sperm. Oil, both for Light and
Machinery. This Oil is entirely free from any gluttinous
matter, smoke, or unpleasant odor, and it is as clear and
as white as spring water. Not a particle of crust is left
on the wick. The light is pure and brilliant,
and will last as long, if not longer, than that from an
equal quantity of Sperm. Oil. The subscriber informs
the public that he has taken a place nearly opposite the
Post Office, where he will light up several different lamps
every evening, and he would respectfully invite the in-
habitants of Pittsburgh, Allegheny, and their vicinity, to
call and judge for themselves. He feels confident they
will be convinced that the above statement is perfectly
correct. Out of two hundred individuals who have tried
the Oil, there has not been a single one found with it.
The Lard Oil costs one third less than Sperm. He would
respectfully solicit the early attention of Dealers and Ma-
chinists to the above.
The following Churches are now using the Lard Oil:
Second Presbyterian Church, Pittsburgh,
New Cumberland Presbyterian Church, Pittsburgh,

Pittsburgh, June 21st, 1842.
We, the undersigned, Captains of the Express Line of
Packets, on the Pennsylvania Canal, have tried and are
using an article of Lard Oil introduced here by Matthew
C. Edey, and manufactured by R. W. Lee & Co., at the
Cincinnati Oil Factory.
We feel confident in asserting that the above is equal
to the best Sperm Oil; that it is entirely free from smoke
or any other gluttinous matter whatever; the light is per-
fectly pure, clear and brilliant, and will last as long, if not
longer than that from an equal quantity of Sperm. Oil.
We have no hesitation in recommending it to our friends
and to those who use Oil.
