CERTIFICATES OF CURES. - Mrs. Ann Patterson, East Whiteland Chester Co., got a bottle of the Indian Speci-fic for her youngest child, that had suffered severely with a complaint in its howels for nearly a year, it commenced when the child was only two weeks old, and after and slimy until it was nearly a year old; all the medicines they made use of did the child no good matit they got the family. I take this method to open a correspondence with Specific, and this cured her in a very short time, bringing you. The pills alluded to are well that of here and weawas several worms

Jane Warple, West Town, used Dr. J. Weston's Indian Specific on two of her children that had a severe attack of the Dysentery, when this complaint was raging at West Fown, (so much so that the scholars had to leave the institution) it cured her children immediately; also another child in the farm house belonging to the school with a number of others, both adults and children around

the neighborhood. Our voungest child was born with the dysentery, hav ing the complaint from its mother who was attacked with the complaint a short time before confinement, that was cured in one day by taking the specific) it passed a I rge quantity of slime and blood, and was viole ped, at two days old we commenced and save it the spe cific which cured it in a very few days.—J WESTON.

William Davis's youngest child was afflited in its bowels until it was past six mouths old, its stools were alyagreen like paint, then it took had with a vident altack of the dysentery, passing farge quantities of blood, bey became very much alarmed and got the specific in the evening, and gave it according to directions until 12 o'clock at night, then the specific passed through its bot els and it sot well almost immediately and has been well

ever since.
