mer Complaint, which carries off so many children in CERTIFICATES OF CURES. Mrs. Ann Patterson, East Whiteland Chester Co. got a bottle of the Indian Speci-fic for her youngest child, that had suffered severely with complaint in its howels for nearly a year, it con red when the child was only two weeks old, and after that its ston's were always had, being very much griped and slimy until it was nearly a year old; all the medicine they made use of, did the child no good until they got the

Specific, and this cured her in a very short time, bringing way several worms. Jane Warple, West Town, used Dr. J Weston's Indi an Specific on two of her children that had a severe at ack of the Dysentery, when this complaint was raging at West Town, (so much so that the scholars had to leav he institution) it cured her children immediately; also another child in the farm house belonging to the school vith a number of others, both adults and children around

the neighborhood.

youngest child was born with the dysentery, hav ing the complaint from its mother who was attacked with the complaint a short time before confinement (line was cured in one day by taking the specific) it passed t rge quantity of slime and blood, and was violently g ed, at two days old we commenced and gave it the spe ific which cured it in a very few days ..... I WESTON William Davis's youngest child was affilited in its bowels until it was past six months old, its stools were al waysgreen like paint, then it took had with a vident at ack of the dysentery, rassing large quantities of blood by became very much alarmed and got the specific in

he evening, and gave it according to directions until 12 o'clock at night, then the specific passed through its howels and it got well almost immediately and has been well

ton's Indian Specific. We could mention a thousand other cases but we deem t unnecessary.
