THORN'S TEVBERRY TOOTH WASH-A New Invaluable Remedy.-The extreme beauty of the l'erth, their indispensable use, and the frequency of their decay, has led to many inventions for their preservation; yet how to pre-serve them in a state of health an pri-tine beauty, to the latest periods of existence, was entirely unknown antil the dispovery of the above invaluable preparation. It forms a pure tincture composed of veg etable ingredients, and is possessed of the most delicious odor. It eradicates tartar from the teeth, removes snots of incipient decay, polishes and preserves the enamel, to he would certainly die, all the medicine he made use o which it gives a pearl-like whiteness, and, from its disin-fecting properties, possesses the virtue of giving sweetness

As an Anti Scorbutic, the Gums also share in its trans cedent powers; Scurrey is eradicated from them, a heathy action and redress is induced, which offers to the notice of the medici practitioner incubitable evidence of their healthful state. It has been examined and used by next door to the "Three Big Doors." several of the best physicians of this city, who have no restitation in recommending it as an excellent wash for the Teeth, Gums.elc.

Among the recommendations to the above are the fol. Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its compo sition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant Tooth Waskes now in use. Every thing can be eaten with benefit, and are anxious to dispose of on the cheapest and most real with perfect impunity

The rotice of the public is particularly called to one thing, that unlike the common purgatives, and patent sia, Fur and Silk Hats, wills of empiries, they produce little or no pain. The system W. & M. Doberty are tem is purified, the tone of the stomach restored, and the various organs brought again to a state of healthf-I activity, without any of the sickness and griping attendant on the use of common remedies. The internal covering which extends from the gullet to the anus, is too frequent r injured, if not entire destroyed by strong drastic parg tives. But this is not so with these pills, for they are centle in their operation that they link themselves with nature and only fend her an auxiliary hand.
