PROSPECTUS
For publishing a new Daily Paper in the City of Pitts-
burgh, under the name of the
DAILY MORNING POST.
The American Manufacturer and Pittsburgh Mer-
chant, who have been desirous to publish a Daily
Paper in this City, have been desirous to publish a
Paper which should be devoted to the advancement
and success of the Manufacturing and Commercial
Interests of the City and State.
The leading object of this Paper will be the dissemi-
nation and defence of the political and moral prin-
ciples of the American Republic, and the promotion
of the interests of the Manufacturing and Commer-
cial Interests of the City and State.
Although, in politics, the Paper will be thoroughly
democratic, yet the Editors hope, by giving an honest,
and candid history of passing Political events, Foreign
and Domestic Intelligence, and brief notices of the
advancement and success of the Manufacturing and
Commercial Interests of the City and State, to make
the Paper sufficiently interesting to the public, and
respecting of party considerations.
In addition to the political and general news which
will be found in the "Morning Post," the Editors will
endeavour to furnish the public with the latest and
most interesting Commercial Intelligence from all
parts of the country, and to have prepared
for the use of the Merchants and Business Men of
this City, a list of the names of the Manufacturers
and Merchants of the State of Trade
and the names of the Manufacturers and Business
Men of this City.
