Sir_Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satis faction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county, Tennessee, wrote to me to send, him some, which I did, and he has imployed it very successfully in his practice, and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in a proper person to officiate for the sale of your celebrated redicine. Should you commission, him he is willing to like to hear from you whether you would like an agent in orde at Singly-life, Eullyan County, East Tennessee, I can get ature.

Owing to the length of the session, which embraces a

are usually assigned to six; and the students are seldong required to attend more than two lectu es on the same day. By this arrangement, the students have an oppor tunity of being well grounded in Anatomy. Physiology. and other elementary branches of Medical Science, before they investigate their applications in connecti with the study of the practice of Medicine and Surgery Immediately before each fecture, the students are subjected to a full and and rigid examination on the prececeding lecture, or on portions of approved text books. It is apparent, that the plan, of which the outlines have been briefly stated, is one which allows the student to commence as well as to complete his medical studies in the nstitution; and presents a happy combination of the advantages of the system of instruction by private pupilage and that of public lectures.

Any person of approved moral conduct may offer as a candidate, and receive the degree of M. D., without ref. erence to the time he has been engaged in the study of medicine or of loining the school, provided he undergoes in a satisfactory manner the various examinations pr scribed by the enactmen e.
